

ABUTTERS LISTING

The following information must be submitted for proper notification of any meeting or public hearing to be held before the Lincoln Planning Board or Lincoln Board of Adjustment. It is the responsibility of the applicant to provide the Planning Board with the names and addresses of abutters and others to be notified. The Planning Board shall notify the abutters and others by certified mail of the date upon which the proposal will be considered by the Planning Board, with notice to be mailed at least 10 days prior to the Planning Board meeting.

State of New Hampshire RSA 672:3 defines abutter as " 'Abutter' means any person whose property is located in New Hampshire and adjoins or is directly across the street or stream from the land under consideration by the local land use board. For purposes of receiving testimony only, and not for purposes of notification, the term 'abutter' shall include any person who is able to demonstrate that his land will be directly affected by the proposal under consideration. For purposes of receipt of notification by a municipality of a local land use board hearing, in the case of an abutting property being under a condominium or other collective form of ownership, the term abutter means the officers of the collective or association, as defined in RSA 356-B:3, XXIII."

This form must be properly filled out.
