

Village Core Planning Meeting
May 17, 2011

Attendees: Chairman Hettinger, Tom Adams, Kareen Hamilton, and Marilyn Sanderson.

Tom Adams presented conceptual drawings of his design for the landscaping he recommends be used around the exterior of the Papermill Theatre's Jean's Playhouse as well as drawings of how he envisions these designs will integrate with both the Riverwalk Trail, located immediately south of the playhouse, and future Town Park, which will be located immediately adjacent and to the west of the playhouse. Tom also presented conceptual drawings for the Town Park. The Committee approved of Tom's conceptual designs and recommended he give the same presentation to the Town's Selectmen.

The next meeting is scheduled for the third Tuesday of June, e.g., June 21st, 2011 at 5:00PM in the Lincoln Town Hall.
