

*Dog waste transmits
disease and contaminates
our drinking water*

***Please remember to leash
and clean up after your dog!***

It's required by law!

The Town of Lincoln's Dog Ordinance (leash law), and the State of New Hampshire's RSA 466:31 and 31:A (dog waste law) state that if your dog runs loose or "excretes" on property that is not your own (and you do not pick it up), you may be fined and your dog may be impounded.
