A. Grant Application for Grant from InvestNH Housing Opportunity Planning (HOP) Grant Program

Update re: Planning Board's Application submitted to InvestNH Housing Opportunity Planning (HOP) Grant Program to create local regulations that will help increase housing supply. The InvestNH Housing Opportunity Planning (HOP) Grant Program is part of the Planning & Zoning Grant Program and is administered by New Hampshire Housing under contract with the NH Department of Business and Economic Affairs (BEA). These programs are all part of InvestNH, a \$100 million initiative funded through the American Rescue Plan Act's State Fiscal Recovery Fund.

The InvestNH Housing Grant Program's Steering Committee reviewed the Town's grant proposal and advised that before qualifying for a grant undertaking an analysis, the Town needs to address the issue of community engagement to see if community would embrace such a project. They advised the Town to revise their application to apply for a grant to address the community engagement component. They are looking for community engagement efforts to support the development and adoption of master plan revisions.

Action: Does the Planning Board want to Revise Application for grant to do community or not?

IV. NEW BUSINESS

A. Request for Release of Bond => SITE PLAN REVIEW approval

#SPR 2014-09 M114 L080 – New Jefferson Holdings, LLC, The Pines at Forest Ridge (12 duplexes)

#SPR 2020-11 M114 L080 – Mt. Coolidge Construction, LLC, The Pines [Detention] Ponds

#SPR 2022-22 M114 L080 – Mt. Coolidge Construction, LLC, Request for Release of Bonds

Notice is hereby given in accordance with RSA 676:4 & 676:7, Applicant has requested Town release cash bond based on Owner/Applicant's engineer's 2020 estimate of construction costs for project, including a 15% contingency. Bond posted in 2020 to cover the costs of all on-site improvements (i.e., the construction, drainage and associated site work) at "The Pines" at Forest Ridge. Applicant completed construction of the detention ponds. Engineer submitted "as-built plan" survey & Construction Control Affidavit. Town Engineer reviewed as-built plan survey. Upon hearing applicant possibly met conditions of approval, Planning Board will hold a public hearing to see if the conditions of approval have been met & whether cash bond may be released. Should a decision not be reached at the public hearing, this application will stay on the Planning Board agenda until such time as it is either approved or disapproved.

The Pines Condo Assn: The Pines at Forest Ridge Condominium Association, Inc.
Kevin J. Barry, President
1 Marsh Hen Cove
St. Helena Island, SC 29902

Property: The Pines at Forest Ridge, (Map 114, Lot 080), Property is located in the Rural Residential (RR) District.

Project: In 2020, Mount Coolidge Construction LLC (Applicant) requested modification of Site Plan Review (SPR) approval for The Pines at Forest Ridge which included ponds associated with Stormwater Management to convert a micro-extended detention basin and infiltration basin (dry pond) into a wet pond near Building 1 on Lincoln Tax Map 114, Lot 080. Mount Coolidge Construction applied for and received (on April 24, 2020) an Alteration of Terrain (AoT) permit from New Hampshire Department of Environmental Services (NHDES) for the modification of the existing micro-extended detention pond (MPI) and infiltration basin (INFI) to a wet pond. The modifications did not propose any additional impervious area to the existing AoT 1445 (expired), and will disturb approximately 15,000 square feet.

Approval With Conditions: On July 22, 2020, the Planning Board granted the Application for Modification of the Site Plan Review approval for “The Pines at Forest Ridge” with the following conditions:

1. **The Owner/Applicant shall provide bonding** payable to Town for all on-site improvements (i.e., the construction, drainage & associated site work), in order to ensure that Owner/Applicant will complete all site work in accordance with the plans. In the event the bond is called by the Town, Planning Board shall schedule & hold a public hearing to consider revocation of the Site Plan Approval per RSA 676:4-a. No further work may proceed on site, & no further Land Use Authorization Permits shall issue without Planning Board approval in the event the bond is called & the above-referenced revocation proceedings are initiated. The amount of the bond shall be based on the Owner/Applicant’s engineer’s estimate of construction costs for the project including 15% contingency. Applicant can request release of the bond once all conditions have been met from the Planning Board. *The bond shall be released at the discretion of the Planning Board after a public hearing.*
2. **A maintenance bond of \$35,000 shall be provided.** Once the detention ponds have been constructed in accordance with the approved plans, the maintenance and operation of the ponds and associated stormwater management features shall be the responsibility of The Pines at Forest Ridge Condominium Association (“The Pines CA”). See letter from Richard K. Elliott, President of the Pines CA, to Carole Bont and the Lincoln Planning Board dated July 6, 2020. Maintenance and operations shall be in accordance with the approved Stormwater Inspection and Maintenance Manual for The Pines at Forest Ridge (“Inspection and Maintenance Manual”). In the event that The Pines CA lacks proper authority to take on the responsibility and exercise the power necessary to maintain and operate the ponds; then, unless and until such time as the Pines CA does have all necessary authority, the declarant (“MCC”), its successors or assigns shall be fully responsible for the maintenance and operation of the ponds. There shall be a bond so long as MCC is responsible for the maintenance and operation of the ponds.
3. **The project shall be completed by November 30, 2020.**

Between November 30, 2020, and 2023, the Planning Board met many times with representatives of Mount Coolidge Construction, LLC to discuss the detention ponds. The ponds have not been in compliance until possibly now, in 2023.

4. Follow-up – Planning Board Meeting on January 25, 2023.

- a. **Construction Bond.** Planning Board voted to release the Construction Bond. Two (2) in favor, one (1) against, and one (1) abstention.
- b. **Motion Release Maintenance Bond.** Planning Board voted to continue the hearing on the Maintenance Bond for sixty (60) days to March 8, 2023 to allow the parties the opportunity to work out their issues prior to voting to release the maintenance bond.
