I. BUNKER LANE SITE VISIT

Some of the members of the Planning Board met to conduct a site visit on Bunker Lane. There was not a quorum of members present and alternates were not seated. The Board members present walked the length of the road. The width of the road was measured in several places. The width of the road is 25ft. at the entrance to Bunker Lane, 24ft. at Randy Farwell's driveway, 23ft. at Chester Kahn's driveway, 23ft. at the entrance (the first driveway) to The Fairways and 26ft. at the far end of Bunker Lane.

No action was taken. Those present would report what they saw to the full Board at their next meeting. The visit to Bunker Lane concluded at 4:00PM.
