I. CALL TO ORDER

II. DISCUSSION OF TOWN HALL STAIRWELL CONSTRUCTION

The Board met to discuss the current construction of the town hall stairwell that leads up to the unfinished attic storage area. The current stairwell design was based on the original blue prints for town hall; however, due to discrepancies this was unable to be done.

All agreed to use the larger hallway space to build the stairs, and if not possible, use the hallway space opposite the larger proposed space. Chief Ron Beard was here earlier today and stated it would be okay to use either hallway space to build stairwell.

III. 2014 TOWN CHRISTMAS PARTY

The Board discussed the annual employee Christmas Party and expenses relating to the party. There are approximately 112 invitations being sent out, and all agreed that the party should continue in the same tradition as in previous years.
