I, _____, being a New Hampshire Licensed Structural Engineer with Registration Number: _____, hereby certify that I have prepared or directly supervised the preparation of all design plans, computations and specifications concerning the construction of the retaining wall for the above-named project. I, or my designee, have performed the necessary professional services and was present at the construction site on a regular and periodic basis. To the best of my knowledge, information and belief the work proceeded in accordance with the requirements of Section K of the Town of Lincoln Land Use Plan Ordinance, the New Hampshire State Building Code, and the International Building Code, as applicable, and design documents as submitted to the Town of Lincoln.

A set of engineered stamped “as built” plans of the retaining walls have been submitted with this affidavit.
