

Riverside Cemetery Trustees Meeting

June 19, 2018

6:30 pm Lincoln Public Library

Present: Peter Govoni, Billy Conn, Katie Mack

- Discussed composing a question form for the town clerk to have when people have questions about cemetery regulations. The form would be filled out by the person with the question and left with the town clerk who would then forward on to the cemetery trustees who would discuss the topic at their next meeting and get back to the questioning party. This would cut down on the town clerk being put on the spot with questions. Katie agreed to compose this form.
- Pre-cast foundations. Billy will talk to Nate Hadaway to see if there is the possibility that his crew may have time to replace several foundations that are in need of replacement because the stone is leaning.
- Billy will be checking with Nate as well to see when O'Rourke Property Management will be spreading lime
- Meeting adjourned at 7:15
