Volunteers

Every year the Lin-Wood Recreation Department depends on volunteers to assist in a variety of programs and activities such as coaching youth sports teams, helping at special events, assisting others at the Lin-Wood Food Pantry, helping children with their homework at the After School Program, community cleanup projects, and more! We encourage individuals, businesses, youth and adult organizations and corporate sponsors to learn more about our volunteer program. If you would like to volunteer with us please contact Tara or Dan at 603-745-8958.

Rec Desk!!

As many of you have already experienced from registering for soccer and ASP, we now have the ability to accept registrations for our programs online! We also now have the ability to accept credit and debit cards. We will be able to take them both online and in person. This is going to be how you will register for all future programs. If you have not yet done so, we strongly encourage creating an account at:

linwood.recdesk.com

- **Beginner Ski Slope** is for beginners only, and is meant to be used by skiers that are not ready for the rope tow yet. There is no charge for use of the beginner ski slope.
- **Skating Rink** is an outdoor, uncovered, manually flooded rink that is open when temperatures permit. The warming hut is available during the hours that the ski area is open. You are welcome to skate anytime from dawn until 9pm when the ice allows. There are a limited number of skates, in various sizes, available for use when the warming hut is open. There is no charge for use of the skating rink.
- **Sledding Hill** is located to the right of the ski slope, is also used as the beginner ski slope, so sliders need to use caution to avoid skiers. The hill is open for sledding when there is snow. There is no sledding allowed on the rope tow ski slope, and doing so could result in a loss of all of your area privileges.

The Recreation Department has received donated skis, boards, poles, boots, helmets, and skates. If you would like to borrow some equipment please see the warming hut attendant. There is a waiver that must be signed by an adult for any borrowed equipment. We ask that when you outgrow it, or if you have other equipment that you’ve outgrown or don’t use, that you donate that for others to use!

If you have any questions you can call either
