## The Town of Lincoln pays tribute to the Honorable W. Murray Clark

Lincoln – Hon. William Murray Clark of Murray Drive, Lincoln, passed away January 7, 2010, at age 82. Born on January 26, 1927, in West Milan, he was the son of Edward Pullman Clark and Florence Murray Clark.

His legacy as bear trainer, showman, and entertainer at Clark's Trading Post spans many decades. He performed with his prized show bears for a remarkable 54 years, delighting thousands of visitors to Clark's each season. A master story teller, he endeared himself to audience members by relaying stories of his Lincoln boyhood, anecdotes about the bears, and by sharing behind-the-scenes glimpses of life as a bear trainer. "You really haven't lived until you've raised bear cubs in your kitchen," he'd deadpan, with his characteristic dry Yankee humor.

Murray and his brother Ed shared a philosophy that a visit to Clark's Trading Post should be educational, as well as entertaining. The brothers were avid collectors who took pride in displaying artifacts from bygone times, hoping to teach through preservation.

Murray loved to travel, and his periodic visits to Scotland brought him special joy. He first visited the country in February 1943, just weeks after his 16<sup>th</sup> birthday. At that time representatives of the British government, aware that he was an experienced sled dog driver, recruited him for a secret mission - training Royal Scots Fusiliers to handle 40 sled dogs supplied by the Clark family for the war effort. Family lore has it that Murray was the youngest American civilian at that time to be issued a passport for an officially sanctioned war-related purpose. Murray often said that his time in Scotland during World War II was the greatest adventure of his life.

In 1944, Murray graduated from Lincoln High School. He was valedictorian, class president, and at age 17, the youngest member of his class. Referring to the strong influence his parents had on his life, he often stated that he got his education not only at Lincoln High School, but also at home at the kitchen table.

In March 1944, Murray enlisted in the U.S. Navy, arranging to leave in the fall, so that he could help his parents with the business through the summer season. The U.S. Navy selected him for the officer's training program, and he attended both Williams College and Brown University for this training.

In 1952 he married Barbara Avery of North Woodstock, and they worked together at the Trading Post for the next five decades. Their four children – Nola, Maureen, Murray, and Andrew – began helping at the Trading Post as youngsters and currently, all are actively involved in the business.

In his life, Murray served as a North Woodstock fire fighter, a Boy Scout leader, and as president of the Lincoln-Woodstock Chamber of Commerce. Elected to the NH House of Representatives in 1972, he served ten years as a Representative to the General Court.

Murray, who often used sled dog analogies to illustrate a point, stressed the importance of teamwork when discussing the success of Clark's Trading Post. At an anniversary celebration he made this statement: "The success of Clark's Trading Post is not the result of the work of any one or two individuals, but rather the efforts of many people all pulling in the same direction. What you see at the Trading Post today was not done by one generation of family, but several generations...it was a long, hard pull from 1928 when my parents looked over this land...The entire Clark Family and lots of helpers have worked at what you see-no one person can take credit for it."

## The Town of Lincoln pays tribute to Edward M. Clark

Lincoln lost a towering figure with the passing of Edward M. Clark on September 24, 2009. He was 85. Born in Mamoroneck, NY, Ed was 4 years old when in 1928 his parents Edward P. and Florence M. Clark moved to Lincoln. A man who epitomized Yankee ingenuity, Ed's talents and pursuits were varied and far-reaching.

In 1942 at the age of 18, Ed was dispatched to Iceland on a top secret mission to train British troops how to handle Eskimo Sled Dogs. The British mission was to go by dogsled behind enemy lines in Norway to destroy a heavy water plant. When he returned from Iceland, he entered the US Merchant Marines where he served for the duration of World War II. He participated in the invasion of Normandy in June 1944.

Along with his brother W. Murray Clark, Ed was co-owner of Clark's Trading Post a tourist destination that has been entertaining summer visitors for over 80 years. In the early 1950's, the Clark brothers began to rescue steam locomotives from the cutting torch creating "green pastures for iron horses" at the Trading Post. Conceived with a lot of hard work and an impressive collection of locomotives; including models by Climax, Heisler, Shay and Porter, the White Mt. Central RR was born.

In 1963, with his two teenage sons Eddie and David and a dedicated crew in tow, he dismantled a 1904 Howe-Truss railroad covered bridge in East Montpelier, VT. The team then transported the structure to Lincoln and reassembled it to span the mighty Pemigewasset River adjacent to the Trading Post grounds. A monumental accomplishment, this bridge is the world's only Howe Truss railroad covered bridge still in active use.

Ed was the general manager of the Cog Railway from 1974-1976, and then operated the North Stratford Railroad, a freight line that ran from Beecher Falls, VT to North Stratford, NH.

Ed was environmentally conscious long before it was fashionable. He was fascinated by the idea of clean, renewable energy. In 1979, together with his son Tom and son-in-law Peter Govoni, they began the development of hydroelectric power resulting in power plants in Lisbon, Littleton and Bartlett, NH.

Ed had a life-long love for his home town of Lincoln. After traveling the world as a merchant seaman, he declared that "All roads led to Lincoln". The Pemi Valley was the center of his universe and after World War II he settled here to build a future. Together with his wife, Joyce Avery, they raised five children, Eddie, David, Carol, Tom and Anne. Ed served on the Town's budget committee for many years and was selectman from 1962-1968. He was one of the original promoters of the White Mountains as a tourist destination by helping organize the White Mt. Attractions Association in 1958 and served as a charter director of the White Mt. Regions Association. The success in the tourist industry that Lincoln enjoys today can be traced directly back to those early efforts.

Pick a guy off the street. Can he drive sled dogs, lay steel rail, rewind a dynamo, rebuild a locomotive, move a bridge, produce pollution-free hydroelectric power, discuss political theory or make conversation with a bear? Edward M. Clark was such a man. His mantra to "Think Big" and "Be Great" should inspire us all to strive for excellence in our own pursuits.

## Town Officers for the year ending December 31, 2009

#### (includes elected & appointed officials & department heads)

#### **Board of Selectmen**

## Lincoln Board of Selectmen Annual Report 2009

The last symbol of Lincoln's industrial era has past. The paper mill buildings are down. For 30 years we have lived with those reminders of what we were as a town and who we were as a people. The mill buildings have stood like ghostly sentinels from another time, the old world and the new side by side. Our town has evolved; our citizens remade Lincoln with a new economic foundation. We have prospered and we believe our future is bright. There is resilience in the people who inhabit this mountain valley, a spirit that will not give up. Many towns and many people in this nation have been cast down by these difficult times and we have not escaped unscathed. Yet, we have known worse times and we have found a strength that has and will sustain us. No blessing for a town or a nation is more profound or effective than the character of its people.

2009 has certainly brought change to our town, most dramatically in the scale and speed of second home development. It has given us time to assess where we are and consider where we want to go. Although some things have slowed, town government has remained very active in planning for the future and in trying to best leverage our resources for the present. Even in these more difficult times we are in good shape economically. Our strong tax base helps us continue to repair and upgrade our infrastructure, maintain sound police, emergency service and fire protection, sustain an excellent school and provide more than the bare necessities with an award winning public library, a beautiful community center and a very active recreation department.

We began 2009 with a meeting with representatives of the Loon Mountain Homeowner's Association who spoke of their concerns about the condition of the roads in the Loon Mountain area, particularly the Beechwood I neighborhood. There has historically been confusion over the ownership of the roads and there does exist documentation that indicates town ownership of the surface of the road and Loon Mountain ownership of the subsurface infrastructure. The process of determining a course of action continued in meetings during the year. A resolution and binding commitment have not yet been reached and discussions will continue in 2010.

During this past summer the engineering for the repair and upgrade of the roads and underlying water and sewer was completed for Maltais Farm Road, Goodbout Road, Parker and Bog Brook Roads. The purpose was to determine the scope and estimated expense of the project which provided the figure you can see in Article # 6 of the Town Warrant to be voted on during Town Meeting. After approval we will go to bid, select a contractor and undertake the project this coming spring and summer. This project is the continuation of a series of major road and infrastructure repairs including Mansion Hill, the Route 3 water main, Pleasant Street and the about half of Pollard Road including all of the west end and then last summer drainage extending up to Conn Drive.

Town mapping continues with Cartographic Associates. New aerial photos were done and new tax maps have been produced. The next phase will create "overlays" of all surface and subsurface infrastructure with GPS coordinates. All this information is digitized and will provide an accurate and easily retrievable data base. The countless paper maps endlessly revised and cataloged, scattered notes on locations often relying on memory, confusion about boundaries and tax map and lot numbers should become a thing of the past and all records are stored on 4.5" compact discs. The advantages to the town in time savings, accuracy and convenience will repay the project cost many times over in coming years.

The Board of Selectmen has become increasingly concerned about the dramatically rising cost of our municipal employee health care policy. This year we are estimating an approximate increase of 16%. The cost is becoming unsustainable. We have directed Peter Joseph to make comparisons to benefit levels in other towns and how they might be addressing the problem. We do not want to reduce the quality of healthcare provided but we do need to find ways to better manage the cost.

Two very noteworthy developments this past year signal a change that we hope reflects where we are headed as a community. The North Country Center for the Arts took possession of the 2.2 acres of land that was the former White Water Treatment Plant (part of the paper mill) which was deeded to them by the town. The sight was cleared and the foundation was poured for "Jean's Playhouse" which will be part of a whole theater complex that when complete will rival any in New England. The second milestone is the design and first stage development of the River Walk Trail that will run on the town side of the east branch from just above the Lodge property to the Visitor's Center at exit 32. The "Village Core Committee" headed by John Hettinger and Marilyn Sanderson has worked very hard to make this happen. They have found grant monies, worked with land owners for easements, designed and redesigned and surmounted innumerable obstacles. The process is ongoing but we will see this magnificent scenic trail open in the near future.

The Board of Selectmen does have ongoing concerns. Some of these we have reported on over the past few years, none have been resolved.

• State wide property tax for "donor" towns. Lincoln was a donor town from 1999 to 2005 in an inequitable and terribly flawed distribution formula. We continue to work with and contribute to the legal fund of the "Coalition Communities" defending our claim of unfair taxation. As we approach the 2011 deadline under which current legislation holds us "harmless" we are faced with the very real possibility of again being a donor town. Lincoln with the lowest median family income could become one of the top 5 donor towns in the state suffering a tax increase of more than one million dollars. Our Town Manager is already

very involved in this fight and the Board of Selectmen holds this issue as our single highest priority. Please help us by contacting our State Representatives. If there is an outcry from the citizenry not just town government they will know their actions are accountable.

• The new county jail is still looming over our heads. It has been redesigned again down to about \$38 million. The county has now spent close to \$500,000 on litigation defending their course of action in the past and a very reckless procedural blunder. This money might as well have been thrown in the Pemi. Of course, we are footing the bill! We are also not satisfied that all infrastructure costs are being included in the \$38 million. Lincoln and the other communities in Grafton County have been and will continue to be vigilant in watching how this develops. We do need a new or refurbished jail. We do not want to pay more than is absolutely necessary.

• School apportionment formula between Lincoln and North Woodstock. Every month, 12 months a year, we sign approval for payment of Lincoln's side of the school budget. On January 2, 2010, of the total \$455,190 monthly cost for the school, Lincoln pays \$300,694 and N. Woodstock pays \$154,496. N. Woodstock has 22 more children in the school than Lincoln. We don't think this is fair. The formula was adopted on June 3, 1988. Much has changed in 22 years. The school board has five N. Woodstock members and two from Lincoln. In 2006 we made a concerted effort through meetings with representatives of both towns and we hired a consultant to appraise the current state of affairs and give us other possible scenarios for apportionment. All efforts fell on deaf ears and will continue to do so until Lincoln residents decide they have had enough and run for election on the school board.

• Lincoln Green has 2 more years to continue to operate under the 30 year HUD contract with the current owners. We have contacted the owners and they have said they do not want to deal with the property until closer to the deadline when they will better know market values. It is quite possible they will simply go to fair market value for the apartments. The current elderly and disabled will have little recourse but to vacate within the 90 days specified by law. We have sought help from AHEAD, the non-profit organization that develops and manages most of the low income housing in this part of the state. We're not finding much opportunity for help from any federal program that could sustain or replace the facility as it is currently used. We want to preserve Lincoln Green and we are still looking for options but they are slim. As we approach the 2012 deadline and the owners are more willing to talk we may find a solution.

• Finally, the issue that has received a lot of 'press" attention and has been grist for the rumor mill, casino gambling. Over many years now there have been a variety of "gaming" bills introduced in the state legislature. This past year saw a bill that proposed establishing a

video slot machine gaming facility in Grafton County. It was reported that Lincoln was the perfect location and there were interested property owners. We selectmen advance no opinion on whether this is a good or bad idea for our town. It should be the residents who will make the decision by vote. Our concerns are simply that any proposal allows the citizens of our town the right to vote on acceptance or denial and that our town is prepared to deal with the infrastructure needs for a major attraction and that the design includes inherent limitations that make the facility healthy for all of Lincoln's business community. To that effect you will see on the Warrant Article #3 an amendment to the Land Use Schedule of the Land Use Plan Ordinance defining a "gaming facility" and to restrict its location to the general use zones as rendered on the town zoning map.

In summary we would like to say that we believe the town of Lincoln's "star" continues to rise. We have a serious and engaged citizenry, able and dedicated town employees, and talented and committed volunteers. Much more change is coming but together we will shape the future to our benefit.

Respectfully submitted,

LINCOLN BOARD OF SELECTMEN:

Chairman Peter E. Moore

## Lincoln Town Manager Annual Report for 2009

The year 2009 was a year that started with great uncertainty. Our country was in the midst of a significant recession, national politics were up in the air with a shift in Congress and the White House, and we were all a little nervous about what the state of the global economy would mean to our community. At the close of 2009 I feel that we can all rest at least a little bit easier at night. Things are far from perfect, but we seem to be a little better off in Lincoln, NH than in some parts of the United States (and other countries) that were devastated by the recession. While we can count our blessings that we were not as badly impacted by the recession as some other places, it should also serve as a reminder for us that we should always plan and be mindful of what could happen in the worst case scenario.

I view the Town Manager's job as having two equally important components. The first is to work with the department directors to manage the day to day operations of the Town. This is often the most time-consuming part of the job. Equally important, however, is the role of working with our elected and appointed board and committee members to set policy and plan for the future. While there is always room for progress, I'm happy to report that both goals met with a good deal of success this year.

The first part of my job, working with each department director to manage the operations of their departments, is the most demanding, but also the most rewarding part of the job. Each director is responsible for an individual department, including daily operations, purchasing materials and supplies, and supervising all personnel within that department. We are very lucky to have such professional department directors here in Lincoln. Each of them is more than capable of running their departments on their own, requiring minimal supervision from myself and the Board of Selectmen. This allows me to work with them on larger projects and inter-departmental initiatives. Listed below are some of the projects we accomplished together in 2009:

Once again, the Public Works Department had a very busy year in 2009. Public Works Director Bill Willey and his staff truly do a great job, and get a lot more accomplished with five employees than you would expect. This year, in addition to day to day operations, the Public Works Department tackled several large projects, including resurfacing Maple Street, Church Street, and Loon Mountain/Black Mountain Road, replacing the roof on the water treatment plant, and working with Recreation Director Tara Tower and I to replace the tow hut at the top of the Kanc Rec Ski Area. Additionally, the Public Works Director and I spent a great deal of time working with our contracted engineer to design and review the improvements to Parker, Bog Brook, Maltais Farm, and Goodbout Roads that are scheduled for construction in 2010. Clearly last year was a busy year, and we hope to get just as much accomplished in the coming year.

Town Clerk and Tax Collector Susan Whitman continues to greet customers with a smile when they come in for vehicle registrations, marriage licenses, and birth certificates. On the tax collection side of her office, her amazing attention to detail means that each taxpayer is treated fairly and that every penny of public money that is collected through taxes is accounted for. In 2009 I worked with Susan and our Town Attorney to resolve several cases where back taxes were owed on properties that were foreclosed or sold through sheriff's sales, another sign of the troubled economy that we are experiencing. Through Susan's hard work, the Town has been able to collect the back taxes we were owed in these sales.

The Police Department experienced a very stable year in 2009. Chief Ted Smith is often quite busy running the Town's largest department, especially given the fact that most of the work that a Police Department must perform is often in response to unplanned events and emergencies. Fortunately this

## Lincoln Town Manager Annual Report for 2009

has not stopped the Chief and his employees from making a great deal of progress at the same time. This year we replaced two high-mileage cruisers and reworked our cruiser replacement schedule so that our cruisers could be replaced on a staggered, rotating basis. This will help us to eliminate the expense of replacing several vehicles all in the same fiscal year. I'm proud to report that the Police Department began preparing for national accreditation through the CALEA process in 2009. We expect the final review and accreditation to occur in early 2010. This involves a great deal of preparation, and the Police Department employees should be commended for their continuing hard work on this endeavor.

Recreation Director Tara Tower and I had a busy summer managing several projects at the Kanc Rec Ski Area and the Father Roger Bilodeau Community Center. The new tow hut at the top of the ski area was quite the project. By keeping nearly all of the construction costs in-house and through several generous donations from local companies, the final cost of the project was kept under \$22,000. This was well below the predicted cost last year. The Community Center also saw major improvements as we replaced over 20 inefficient single pane windows and ineffective vermiculite insulation in the ceiling in order to reduce energy use and the cost to heat the building. Through Tara's hard work, we were able to fund the majority of the cost of this project through a Rural Development Grant from the US Department of Agriculture, which resulted in a substantial savings to the Town.

In 2009, the Lincoln Fire Department continued to provide commendable service to the Town. Chief Nate Haynes and I worked with the Capital Improvements Plan Committee to revise the funding schedule for the replacement of fire apparatus. We hope that the aggressive funding schedule we have proposed will successfully prepare us for the upcoming replacement of several aging pieces of fire equipment. Oftentimes town departments see their roles evolving over time. This has been especially true in the case of the Fire Department in regards to river-related rescues and emergencies. As more vacationers and visitors search for outdoor summer activities, we have seen an increase in the amount of people swept away by the river current due to inexperience in fast moving water. In response to this increasing demand on the Fire Department, we have been training the firefighters in river rescue techniques, as well as purchasing safety equipment for our firefighters to use while performing this type of work. We plan on continuing water-related training to keep our firefighters safer while they perform these types of rescues in 2010.

I would also like to take this opportunity to thank Library Director Carol Riley and Solid Waste Facility Manager Paul Beaudin for their continued support and teamwork. While these two departments do not technically fall under the supervision of myself and the Board of Selectmen, you would never know that from the way that Paul and Carol work with us. Their continued teamwork and willingness to work with the other Town Departments helps us to offer these services to the residents of Lincoln (and the residents of Woodstock, in Paul's case) at a very affordable cost.

The second half of my job, working with our elected and appointed board and committee members to set policy and plan for the future, is a very important task. It was even more so in 2009, due to several state-level policy matters that may affect our community in the future.

This year the Planning Board experienced an uncharacteristically slow year in terms of site plan and subdivision applications. Once again, this was most likely due to the economy and the slowing of the real estate market, which put a damper on development of second homes and resorts in Lincoln. This slowing was actually a blessing in disguise, as it gave the Planning Board time to work on several amendments to the Land Use Plan Ordinance that you will see on the ballot for the 2010 Town Meeting.

## Lincoln Town Manager Annual Report for 2009

The most important of these related to the possibility that gambling may be legalized by the state of New Hampshire, and that many have advocated for Lincoln as an ideal location for a potential gaming facility. The Planning Board and I as a result developed an amendment to the Land Use Plan Ordinance that would control the location of a gaming facility in Lincoln, should it be legalized by the State of New Hampshire.

One of the most rewarding parts of my job is working on volunteer projects such as the trails project being guided by the Village Core Committee. John Hettinger heads this group of volunteers, and has been instrumental in working with landowners and various state agencies to secure permission for a riverfront trail that would link the village core with the already existing Penstock Trail. John and the other volunteers began the arduous task of cutting and clearing this trail in 2009, and we hope to complete construction of first stretch of hardpacked gravel trail in the first half of 2010.

Finally, my work with the Board of Selectmen was a whirlwind of activity in 2009. The Board of Selectmen, as my supervisors, also share responsibility for supervising all aspects of the Town Government, as a whole. While I manage the daily operations, the Selectmen set the policy and the tone that the department directors and I work under. As such they are very involved in reviewing and setting policy and procedure for the operation of the town's departments. I continue to consider myself very lucky to be working with such a professional and neutral Board of Selectmen. They continually seek the solution that is most beneficial to the Town as a whole, regardless of what their personal views may be on any given subject.

One of the most important issues that the Board of Selectmen and I began working on towards the end of 2009 was preventing the re-imposition of the Statewide Education Property Tax (SWEPT) in 2011 and the system of "donor" and "receiver" towns that goes along with it. At our current estimates, this system of taxation would mean between \$1 million and \$2 million per year in local property taxes would be taken from Lincoln and distributed to other towns in New Hampshire. In order to fight this battle, thirty five of the "donor" towns such as Lincoln started the Coalition Communities several years ago. This past year I have been extremely active with this group as we support legislation that would help avoid the re-imposition of the tax. This definitely remains an uphill battle, and one that we will have to devote a tremendous amount of time and energy to if we are to have any hope of defeating this tax.

This is just a sampling of what was accomplished in 2009, and what remains to be done in 2010. You can see that we keep quite busy, and accomplish a great deal for the residents of Lincoln. None of this would be possible without the employees and volunteers that dedicate themselves to serving the people of Lincoln day in and day out. I would like to take this opportunity to thank them, and honor them for their tireless service, as it is much appreciated.

As always, please feel free to contact me if you have any questions or concerns, or if you feel that something should be brought to the Town's attention. I wish you all the best over the coming year.

Respectfully Submitted,

Peter E. Joseph, Town Manager

## Public Works Department Annual Report 2009

The Town of Lincoln experienced an average winter in early 2009. We used a typical amount of sand and salt. The town garage was vinyl sided last May which will save a great deal on building maintenance.

Both Bog and Parker roads are in need of major repairs. Video and cleaning contractors were hired to inspect the sewer lines and structures which enable us to determine to what extent we have to replace or repair the sewer lines and structures while the road is under construction. We also had to investigate the road bed on Maltais Farm Road so we did some sub grade borings. We are hoping to give these roads a face lift and some infrastructure replacement in the spring of 2010, depending on the town meeting results. These roads are in the worst shape of all of our town roads.

In May we did our winter burials, painted cross walks and parking stalls and had the streets swept. This was also a good time to inspect our water tanks with a camera and clean them which has to be done every four years. The inspection went great with no problems noted whatsoever. There were also some minor repairs required on the aerators at the sewer lagoons. Through the winter months, the wind and ice cause the aerators to shift so they have to be reset and the cables tightened.

June was a very busy month. We started another phase of our drainage project on Pollard Road. The next phase will be on Dodge Place, Pollard Road and Boyle Street. We also did some overlay paving on Maple and Church Streets. At the same time, we paved the drainage trench work on Pollard Road and a section on Loon Mountain Road. The roof on the water plant was also greatly in need of replacement. It was nineteen years old and had been leaking for some time. The new roof is a gravel and tar mixture and should be better than the original, which was a rubber membrane roof.

Later in the summer, we cleared some right of way limits and worked at the Kanc ski slope. We constructed the new rope tow hut at the top of the slope. This was quite an undertaking because we had to raise the elevation of the building so the rope tow operator can see the entire length of the tow line. We used Caulder Construction to do the dirt work at the site of the hut. The access road to the hut required a large quantity of dirt to be moved and the large excavator that Caulder Construction had worked great. This job lasted until November. After that, it was time to get ready for another winter season: fill up our sand and salt sheds, and check out and complete any repairs needed to be done to our equipment.

I would like to thank our part-time help John Lynch and my crew Andy Nicoll, Daryl Hart, Dave Beaudin and Dave Dovuluk for all of their efforts and hard work. I would also like to thank our residents for all of their support throughout the year.

Bill Willey Public Works Director

Bet Wills

## Planning Board and Zoning Board of Adjustment Annual Report for 2009

The Planning Board members for 2009 and their meeting attendance for the year were as follows:

Patrick Romprey	Chairman	11 of 13 meetings
Joseph Chenard	Vice-Chairman	12 of 13 meetings
James Spanos	Clerk	12 of 13 meetings
Peter Moore	Selectmen's Representative	12 of 13 meetings
John Hettinger	Member	12 of 13 meetings
Edwin Fredie	Alternate	Resigned
Charlie Cook	Alternate	10 of 13 meetings
Deanne Chrystal	Alternate	9 of 13 meetings
Tom Adams	Alternate	9 of 13 meetings

Town Manager, Peter Joseph, attended all 13 of the Planning Board meetings.

There were no unexcused absences documented for FY 2009.

#### Lincoln Zoning Board of Adjustment

The Zoning Board of Adjustment members for 2009 and their meeting attendance for the year were as follows:

Joseph Chenard	Chairman	4 of 4 meetings
Ron Comeau	Vice Chairman	4 of 4 meetings
Patricia McTeague	Selectmen's Representative	3 of 4 meetings
Wilfred Bishop	Member	4 of 4 meetings
Pat Leary	Member	4 of 4 meetings
Tom Smith	Alternate	4 of 4 meetings
Patty Noel	Alternate	2 of 4 meetings

There were no unexcused absences documented for FY 2009.

## Planning Board and Zoning Board of Adjustment Annual Report for 2009

#### 2009 Capital Improvements Program Committee

The 2009 Capital Improvements Program Committee comprised of John Hettinger, Deanna Huot and Peter Joseph was authorized to prepare the draft program for subsequent consideration by the Planning Board. After a public hearing, the Planning Board adopted the Committee's recommendations. Thank you to all of the members who worked so hard on the project. Site plan and subdivision applications continued to decline in 2009. While there was a substantial number of building permits requested, there was only one major subdivision application, which is still being considered by the board. A number of revisions were made to the wording of our site plan review and subdivision regulations to clean up "gray" areas. Edwin Fredie resigned from the Planning Board in 2009 as he had relocated. The Board wishes to thank him for his service. He will be missed. Mr. Fredie was replaced by Tom Adams who was a prior member and chairman of the Planning Board. Mr. Adams was instrumental in drafting the Town's master plan and he is a welcome addition to the Board.

The Board is currently working to clean up several zoning issues and adopting a Board protocol which will streamline the hearing process considerably. The single most important decision by the Board this year was to put an article on the Town Warrant to amend the land use plan ordinance to define the areas of town where gaming facilities may be located should the state legislature approve expanded gambling activities. The warrant article asks you to restrict gaming facilities to the general use zone only, thereby protecting residential areas from increased traffic, noise, congestion and other impacts which might result from such a facility.

The Zoning Board of Adjustment heard a number of appeals and lot use changes in 2009 related mostly to land usage and requested exemptions in given use areas. It is also anticipated that the Board will be very busy in 2010 as there are a substantial number of zones that will be appealed.

Planning Board and Zoning Board of Adjustment meeting schedules are posted at the Town Office and on the Town website. Meeting minutes are also available at those locations. We encourage interested residents to attend meetings and express concerns. If you have questions about planning or permit applications please contact the Town of Lincoln at 745-8527 or stop by the Town Office.

Respectfully Submitted,

Patrick Romprey Planning Board Chairman

Joseph Chenard Zoning Board of Adjustment Chairman

## Lincoln Police Department Annual Report 2009

The Lincoln Police Department continued to have a busy year in 2009. Over the past 3 years, our statistics have been fairly stable despite peaking in 2007 when we had the highest calls for service we have ever recorded at 20,531. Since that time we have had a slight drop, with 19,829 calls for service in 2009, comparable to 2008's 19,692.

Calls for service dealing with traffic, disputes, assistance etc. continued to climb. 2009 was the first year that our felonies declined from the previous year. Unfortunately, it was a slight decrease, but one that I hope develops into a trend.

The department has a website that provides information about the department as well as safety tips. Copies of some state and local reports can be obtained from that site and we are attempting to keep it updated as new events take place. We welcome you to visit us at www.lincolnnhpd.org.

Our School Resource Program has been very effective. We are constantly hearing from people about the way in which it is having a positive impact on the community. Officer Ulwick, who took over the program, is doing a fine job. Officer Deluca, who was the previous SRO, has moved into another position and has just finished a federally funded crime scene school qualifying him to take over investigations at the scene of a crime.

I would like to thank Lt. Cooper and Chief Dispatcher Langmaid for the excellent work they perform every day in making Lincoln a safe place for residents and tourists alike. Every Officer and Dispatcher here is exceptional and works hard to meet the high standards we set.

In 2010, the Lincoln Police Department is being evaluated to be nationally accredited, placing it as one of the top departments in the country. Officer Stevens has been working hard on this event.

In 2009, the following officers received awards for the work they have done:

Sgt. Jeffery MeierTop Cop for highest arrests and all around performance in traffic safety.Ofc. William UlwickTraffic Safety Award.Ofc. Michael StevensParking Enforcement.

I am grateful for the support that we have received from the residents and business community. The cooperative spirit of the Lincoln community has assisted us many times in trying to serve this community.

Theme Bl

Theodore P Smith Chief of Police

## **Emergency Management Annual Report for 2009**

Lincoln's Emergency Management program is based on developing and improving coordination with the various public safety agencies in Lincoln, the surrounding area, and with state agencies.

During the past year, we were able to upgrade some of our communication equipment and the Emergency Command Center. The Dispatch center is now able to send out instantaneous telephone messages to every phone in Lincoln that is registered or to select phones in certain areas. This capability will be used in emergencies and to help our residents if problems are expected.

The year was spent dealing with issues regarding possible epidemics in the state of New Hampshire and developing a regional response to medical emergencies that may affect a wide region. The year ended with the plan being finalized and in place. Fortunately, widespread problems with swine flu did not materialize.

In 2010, we plan on having a field exercise with other agencies dealing with a fire to test the practical side of our plans. In the past, we have found that these exercises give us a sense of what improvements are needed in order to increase the effectiveness of our response.

Making contacts with residents is a major concern and we are modifying our webpage to provide more information, adding a new electronic message board and working to develop a core of citizen leaders to assist in emergencies. I invite people who are interested in being part of our Citizen Corps to please contact me so that we can get this auxiliary program up and running.

Respectfully submitted,

Rel

Theodore P Smith Chief of Police & Director of Emergency Management

## Lincoln Fire Department Annual Report 2009

Type of Call	#	Type of Call	#	Type of Call	#
Alarm Activation	56	Motor Vehicle	42	Carbon Monoxide	12
		Accident		Alarm

Dan Gilman	Firefighter
Nick Varin	Firefighter
Steven Bomba	Firefighter
Scott Wood	Firefighter
David Carbonneu	Firefighter
Garrett Place	Firefighter
Ryan Peterson	Junior Firefirghter
Cliff Dauphine	Consultant

Colin Haase finished firefighter level 1. Steven Bomba is attending firefighter level 1.

#### **GREAT JOB FIREFIGHTERS!**

## Lincoln Fire Department Annual Report 2009

As you may know, every year we have one or two river rescues or recoveries when swimming and tubing are in full swing. Keep in mind that after a heavy rain, the rivers get high and swift, so please be careful and have a safe summer. As a reminder, please have your 911 address visible on your home. This will make it easier and faster for all emergency personnel to reach you quicker. If you are not sure what your 911 address is, please contact Town Hall.

Remember when you spring forward or fall back with daylight savings time, also change the batteries in all your smoke alarm and carbon monoxide detectors at the same time. It is very important to have detectors in your home - they may save your life.

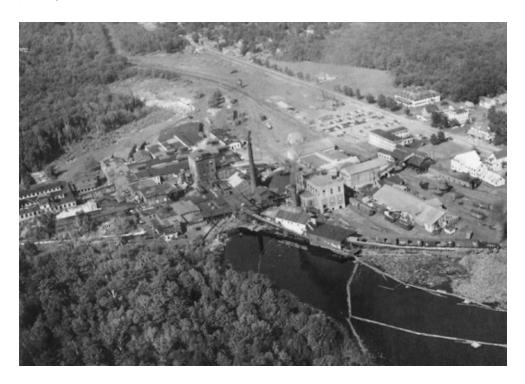

In closing, I would like to thank the Town of Lincoln for its support of the Lincoln Fire Department and send a special thanks to all the businesses that support us when we have any major incidents. Your donations of food, drink and company do not go unnoticed.

A special thanks to Mitch Harrington, Bow Fire Department, for giving us excellent classes and hands on training.

Respectfully submitted,

Harnel

Nate Haynes, Lincoln Fire Chief

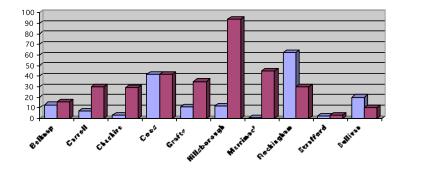

## **Report of the Forest Fire Warden** and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

## Health Officer Annual Report 2009

The Health Department, Health Officer Susan Chenard and Deputy Health Officers Police Chief Ted Smith and Public Work Director Bill Willey, responded to a variety of calls in 2009 related to inspections of restaurants, day care facilities, swimming pools, interior living conditions and calls relating to garbage buildup and containers. The Department also monitored the Department of Environmental Services' correspondence with FCI, InnSeasons and Franconia Investment Properties, among others.

Susan Chenard kept residents informed about the H1N1 flu virus, West Nile Virus, Eastern Equine Encephalitis (EEE) and Lyme disease and prevention via the Town's website (http://www.lincolnnh.org/government/health/index.htm). Susan recently took another position and the Town thanks her for her services over the past three years.

As the new Health Officer for the Town, I look forward to working with residents of the community as well as state and local officials on issues concerning local public health. Some examples of public health issues that are the responsibility of the health officer include:

- Conducting investigations into complaints related to garbage, insects, rodents, food borne and mosquito borne illnesses, lead paint and unsanitary living conditions complaints or any nuisances potentially hazardous to public health.
- Disseminating state, federal and local materials about important public health issues and needs.
- Carrying out inspections on new or modified health facilities, facilities used to provide childcare and the homes of persons serving as foster parents to assure they meet health codes.
- Assisting the Division of Public Health Services and the local Emergency Management Director in the event of any disease outbreaks or local emergencies.

Spring is right around the corner so please remember to remove your bird feeders early in the season and keep your trash confined in metal, animal-proof containers so as not to entice the bears. Also, be sure to get in the habit of wearing long sleeves and bug repellant to prevent mosquito bites.

Finally, I look forward to meeting and working with you to continue our efforts in keeping Lincoln the beautiful, healthy place it is to live.

Respectfully Submitted,

BrookSteiner

Brook Steiner Lincoln Health Officer

## Lincoln Public Library Annual Report 2009

AF	5186	JF /YA	3730	AUDIO	944	ILL'S	1511	COMPUTER USE	5223
ANF	1524	JNF	339	VIDEO	6548	MAG	175	WIRELESS USE	708

This year, the Lincoln Public Library has seen many wonderful changes. These changes enable us to improve the services we offer all of the residents of Lincoln.

In April of 2009, the local Three Rivers Construction crew broke ground and began building our new meeting room. Construction was completed in August. The Friends of the Lincoln Public Library quickly and excitedly began their work as decorators, making the room as cozy and functional as the rest of the library. They chose blinds, multi-use tables, chairs, and a sound-minimizing rug to accent the room. The meeting room will be used by the library for programs and meetings, and also will be made available for use by the residents of the community.

In November 2009, the Lincoln Public Library was selected from over 7000 libraries throughout the U.S. as a "5-Star Library" by the Library Journal. Turns out, we are the *only* 5-star library in the state of New Hampshire. This acknowledgement was determined by statistics that are submitted to the NH State Library, reflecting the circulation, program attendance, computer usage, and visits to the Lincoln Public Library. In recognition of this prestigious honor, the Friends of Lincoln Public Library commissioned Lee Lamontagne, care of the Lincoln Sign Company, to design a sign, which was installed above the library's main entrance. The sign reads:

"WELCOME TO NEW HAMPSHIRE'S ONLY 5  $5\sqrt[n]{100}$  LIBRARY."

Programming this year has been very active. We sponsored our annual "Summer Reading Program" for children and adults. The children enjoyed this year's theme, "Summertime and the Reading is Easy," with a sandcastlebuilding contest, a (always entertaining) frozen t-shirt contest, and a summer-ending program, featuring Magician Norman Ng, among others. Our annual Halloween Open House and scarecrow contest proved to be yet another popular and successful event. Congratulations, Becky Noseworthy, on your over-whelming win! Becky fashioned up a Kanc-kid scarecrow awaiting the snow. Story time continues with a very solid core of participants. We welcomed several authors for book discussions of their published works. In addition, we host a book discussion group that meets monthly during the fall and winter. They have lively discussions of titles chosen themselves. We borrow their book-request copies through the New Hampshire State Library Inter-Library Loan Service. There is always room for more, so stop on by to see what book they are discussing next.

Many programs have been offered through the NH Humanities Council, co-sponsored by the Upper Pemigewasset Historical Society. One popular program offered was a New England food culture discussion with Edie Clark, an editor for Yankee Magazine. After the program, we all sampled and enjoyed Indian pudding, Baked Beans, New England clam chowder, Apple Cider, and Chocolate Chip Cookies. These popular New England staples were cooked up and donated by some of our local area chefs.

Respectfully submitted,

Carol Riley

Carol Riley, Library Director

## Lincoln-Woodstock Recreation Department Annual Report for 2009

The Lincoln – Woodstock Recreation Department would like to thank everyone who volunteered their time during 2009.

This year's projects for the Recreation Department:

- <u>The Father Roger Bilodeau Community Building:</u> removal of the inefficient insulation, installation of new insulation; removal of the original older style casement windows, and installation of new energy efficient windows. These projects were partially funded from a USDA rural facilities grant, with work being performed by Chey Insulation and Granite State Glass. Through the community center budget, this facility also received internet service, a mixing valve to regulate the hot water temperature, service from a new rubbish removal company, and the Afterschool Program became licensed with the State of New Hampshire.
- <u>The Kanc Recreation Area</u> received new a **new tow hut**, **a new tow-rope**, **ski area signage**, and is now using **printed tickets for the Kanc Ski Area**.
- **Shannon O'Connor** donated her time and skills to offer a gymnastics **program** for K-5<sup>th</sup> graders this fall! Thanks also to Alexandria Long for helping with this program.
- Ninth State Dance Studio, and owner/ director Carol Morrison and her staff ran youth dance classes and adult Zumba classes at the Community center in 2009.
- In 2009 the Lincoln-Woodstock *Food Pantry* was established as a separate non-profit agency. The Food Pantry is located at The Father Roger Bilodeau Community Building, and is operated by program coordinator, **Teneil Rineer**.
- In 2009, the <u>officers of the Lincoln-Woodstock Friends of Recreation</u> were: *President, Stacey Caulder; Vice-President, Jessica Tamulonis; Treasurer, Vicki Iles; Secretary, Danielle Avery*. This group coordinates and staffs many events each year. Some of these events are just to strengthen community pride (the 4<sup>th</sup> of July games & BBQ, the Memorial Golf Tournament, or the Just for Kids shopping), and some are to raise funds (Memorial Day Yard Sale, the Veteran's Day Craft Fair, or the Ski-A-Thon), but all of them truly benefit the Lincoln-Woodstock community as a whole! Thank you!

In addition to these projects, this year the Recreation Department also offered many programs and events for all ages of the Lincoln – Woodstock Community. These included senior citizen trips to Hampshire Pewter Factory with lunch at Morrisey's Front Porch; Salmon Falls Pottery with lunch at Johnson's Dairy Bar; Anheuser-Busch Brewery with lunch at the Olive Garden in Manchester; the Fryeburg Fair; and, Christmas Shopping at the Christmas Tree Shop and the Rockingham Mall in Salem.

In 2009 we had 5316 skiers at the Kanc ski area, 87 Kanc Camp participants, 93 Adventure Camp participants, 53 Basketball players, 88 baseball, softball, farm league and t-ball players, 107 soccer players, 56 kids took swimming lessons, 45 golf lesson students, 16 Afterschool participants, 26 Outing Club participants, 37 gymnastics participants, 24 Kanc Carver participants, 13 Pre-Skiers, 20 adults took part in Zumba Classes, 14 children participated in youth dance classes, 7 youths participated in yoga classes, 31 future chefs took cooking classes, 135 Food Pantry participants, and 85 Senior Citizen trip participants. The usage breakdown was 2855 participants from Lincoln (or 46%) and 2308 participants from Woodstock (or 37%), and 1090 from out of town (or 17%) for a total of 6,253 participants this year!

## Lincoln-Woodstock Recreation Department Annual Report for 2009

We are fortunate to have so many volunteers that coach, run programs, chaperone, transport kids to games, donate prizes for events, and donate facilities for programs. Thank you all for your continued support in making these programs and events so beneficial for this community.

As we begin 2010, I hope that you can find the time to recreate either by yourself or with your loved ones. If you would like to see something offered, or if you are thinking about volunteering, contact me today and we will find something for you to get involved in!

Respectfully Submitted,

lara laver !!

Tara Tower, CPRP (Certified Park & Recreation Professional) Recreation Director

## Solid Waste Facility Annual Report 2009

Although 2009 proved to be a tough year for the recycled markets, we managed to do better than most. Thanks to the removal of both of the old incinerators in 2008 we were able to store up to a year's worth of cardboard, paper and aluminum. As a result we managed to broker our recyclables during a high market condition in 2009 which yielded us substantially more revenue. One example is that during October of 2008 cardboard was at a minus or "pay to dispose of" commodity, a situation which lasted until January of 09. Then the cardboard market crept up very slowly. As a result of waiting, we were able to sell our cardboard in August for a high market price and made an additional \$5,000 more than if we had had to sell loads of cardboard as we made them. We also installed a new Solid Waste MSW compactor power unit this past year. This has enabled us to pack an additional 1- 2 tons of solid waste into our compactor containers which will lead to savings this year.

In December of this year, the Lincoln and Woodstock Solid Waste Board voted to initiate a Solid Waste Haulers Rules and Regulation. This Regulation sets guidelines and mandates recycling for all of the Commercial Solid Waste delivered to this facility. Implementation of this regulation will reduce expenses as we only get charged for waste that we send out in our MSW compactor. All recyclables are either sent out for free or we get revenue for them.

I have planned a Household Hazardous Waste day for the fall of 2010 so be on the lookout for handouts that will inform you of the date and time of the event. Together with the Lincoln and Woodstock Solid Waste Board I continue to look to the future to find ways of disposing of your solid waste in a cost effective manner. One other fact that I would like to share with you is that in the eleven years since I have been working at this facility for you, we have returned recycling revenues totaling over \$250,000. I bring this to your attention so that you can see the benefits of recycling; the savings do indeed add up, and they are reflected directly in your property tax. I would be remiss if I did not acknowledge the dedication and hard work of Jim Conn and Russell Clark. Although they are relatively new to the solid waste business they have done a great job on a daily basis. As always if you have any questions or suggestions please do not hesitate to stop by and ask.

	Amount	Cost	Revenue	Cost Avoidance
Co-Mingle	199/tn	\$5115	\$0	\$17,022
MSW	1056/ tn	\$90,308	\$0	\$0
C&D	380/ tn	\$34,605	\$37,337	\$0
Newsprint	22/tn	\$0	\$1255	\$1882
Scrap Steel	106/ tn	\$0	\$12,164	\$9066
Cardboard	152/ tn	\$0	\$11,142	\$13,000
Aluminum Cans	9363/1bs	\$0	\$5,151	\$400
Textiles	5/tn	\$0	\$0	\$428
Brush	30/ yd est	\$0	\$0	\$0
Waste Oil	440 gal	\$500	\$0	\$1000
Fryolator Grease	700 gal	\$330	\$90	\$0
Compost	100/ tn est	\$0	\$0	\$0
Totals		\$130,858	\$67,139	\$42,798

Cost avoidance by recycling is equal to the current disposal rate multiplied by the tons recycled.

Respectfully submitted,

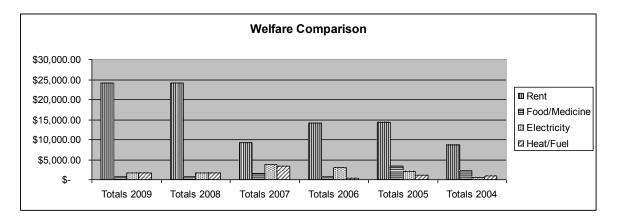

Paul Beaudin, II Solid Waste Facility Manager

## Welfare Expenditure Annual Report 2009

	Totals 2009	Тс	otals 2008	Tot	als 2007	Tot	als 2006	То	tals 2005
Rent	\$30,747.00	\$	11,374.42	\$	9,330.00	\$	14,180.00	\$	14,375.00
Food/Medicine	\$1,086.96	\$	229.73	\$	1,438.00	\$	691.00	\$	3,417.00
Electricity	\$1,642.59	\$	4,109.18	\$	3,847.00	\$	3,111.00	\$	2,063.00
Heat/Fuel	\$1,714.25	\$	4,039.98	\$	3,420.00	\$	397.00	\$	1,187.00
Totals	35,190.80	\$	19,753.31	\$	18,035.00	\$	18,379.00	\$	21,042.00

In 2009, we saw a change in how our welfare dollars were spent, and we saw a larger number of applicants than usual. The availability of the Food Pantry in the Community Center meant that less financial assistance was needed for food. We had expected a much larger percentage of our costs to go towards heating fuel expenses. However, the largest expenditure was actually rental assistance. Our office is happy to report that we did receive repayments this year of over \$1,500 and are expecting more repayments from recipients in 2010.

When determining eligibility for financial assistance, we work closely with the applicant and agencies such as Tri-County Community Action, Department of Health and Human Services and Social Security Administration to determine if the applicant qualifies for assistance from other sources. We also advise the applicant of other income options or cost-cutting measures that might be available to them.

Respectfully submitted,

Peter E. Joseph, Town Manag

## Town Clerk's Report Annual Report 2009

#### Motor Vehicle Update

In August pursuant to House Bill 2 (HB2), the State portion of certain fees was changed. Effective August 1, 2009 the fee for a certified copy of a registration increased from \$10.00 to \$15.00. RSA263:42,II

The Initial "Vanity" plate fee increased to \$40.00 per year for a renewal or a twelve-month new registration. The vanity number plate fee for a new registration other than twelve months, plate changes, etc. is now pro-rated at \$3.33 per month (\$40.00 for renewal) RSA 261:89 & 261:141

SURCHARGE - Based upon a vehicle's weight, changes were made to now assess a surcharge. This surcharge is in addition to the normal fees based on weight. The additional fee is printed on your registration in the State Fees section listed as "SURCHARGE". The flat surcharge fee (\$30, \$45, \$55, or \$75) shall be assessed for all twelve-month registrations. RSA 261:141

0-3000 lbs. – A 30. (2.50 per mo.) Surcharge will be charged, making the total for the State fee 61.20 for twelve months. (5.10 per mo. Combined total)

3001-5000 lbs. – A \$30. (\$2.50 per mo.) Surcharge will be charged, making the total for the State fee \$73.20 for twelve months. (\$6.10 per mo. Combined total)

5001-8000 lbs. – A \$45. (\$3.75 per mo.) Surcharge will be charged, making the total for the State fee \$100.20 for twelve months. (\$8.35 per mo. Combined total)

8001-10,000 lbs. – A \$45. (\$3.75 per mo.) Surcharge will be charged, making the total for the State fee \$.96 per hundred pounds gross weight (.08 per hundred lbs. per mo.) plus \$45. (\$3.75 per mo.)

10,001-26,000 lbs. – A \$55. (\$4.58 per mo.) Surcharge will be charged, making the total for the State fee \$.96 per hundred pounds gross weight (.08 per hundred lbs. per mo.) plus \$55. (\$4.58 per mo.)

26,001-73,280 lbs. – A \$75. (\$6.25 per mo.) Surcharge will be charged, making the total for the State fee \$.96 per hundred pounds gross weight (.08 per hundred lbs. per mo.) plus \$75. (\$6.25 per mo.)

Motorcycles – Section III (o) for motorcycles has changed. The flat \$25. fee shall be charged on all twelve-month registrations. The fee has increased from \$15. to \$25. (\$2.08 per mo.) Please not that the \$1. fee for the motorcycle rider safety fund shall still be charged.

Transfers – Section VII (b) for the state portion the transfer fee has increased from \$10 to \$25.

Please always remember to hold on to your vehicle registration. The original registration is required in order to transfer your vehicle otherwise you will have to pay \$15.00 to the State and \$3.00 to the town.

#### **Dog Licensing Information RSA 466:1**

Every owner of a dog that is at least four months old must license the dog each year. The town clerk will provide the license tag, which shall include the name of the municipality, the year the license was issued and a registration number. The Town Clerk shall issue no license until the person registering the dog produces a certificate of rabies. RSA 466:1

FEES - RSA 466:4

The dog licensing year runs from May 1st to April 30th and according to RSA 466:1, the license is effective for that time period regardless of when it is obtained.

\$6.50 for each spayed or neutered dog. (Will need certificate of alteration.)

\$9.00 for each dog that has not been spayed or neutered.

2.00 for dog owners 65 or over for the first dog, but the regular fee shall apply to any other additional dog(s).

No fee shall be required for the registration and licensing of a seeing-eye dog used by a blind person, or a hearing dog used by a deaf person.

An additional \$1 may be charged for each month or any part of a month that the license fee remains unpaid after May 30th. Fees could be subject to change.

Fees could be subject to change.

#### **Town Clerk Fees**

VITALS: All certified copies of a birth, death, or marriage requires a photo identification along with the application. The application can be found on our website www.lincolnnh.org

\$12.00 for the first certified copy\$8.00 for each subsequent copy (purchased at the same time as the first)\$45.00 for a marriage license or civil union

CEMETERY LOTS:

\$150.00 for a single \$300.00 for a double \$600.00 for a lot of four

Fees could be subject to change

# Town of Lincoln Minutes of Town Meeting - 2009

#### March 10, 2009

The Annual Town Meeting, of the inhabitants of the Town of Lincoln, in the County of Grafton and State of New Hampshire, qualified to vote in town affairs, was held in the Lin-Wood Public School on Tuesday, March 10, 2009. Moderator O.J. Robinson called the meeting to order at 10:00 am. Joan Hughes made a motion to dispense with the reading of the entire warrant until 7:30 o'clock in the evening. Carol Riley seconded the motion. Vote was in the affirmative – unanimous. O.J. Robinson declared the polls open.

The casting of ballots closed at six o'clock in the evening. Results of Article 1 are as follows:

Article 1. To choose all necessary Town Officers for the year ensuing as follows:

**For Selectman** – Three-year term (Vote for one) Peter Moore – 105 votes

**Town Treasurer** – Three-year term (Vote for one) Pauline M. Paste – 103 votes

**Budget Committee** – One-year term (Vote for one) Philip C. Rackley – 98 votes

**Budget Committee** – Two-year term (Vote for three) Tamra A. Ham – 90 votes O.J. Robinson – 103 votes Louise Willey – 96 votes

**Budget Committee** – Three-year term (Vote for four) Lutz N. Wallem – 95 votes

**Cemetery Trustee** – Three-year term (Vote for one) Helena O'Rourke – 109 votes

Library Trustee – Three-year term (Vote for two) Carol A. Smith – 104 votes Donald S. Thompson – 95 votes

**Trustee of Trust Funds** – One-year term (Vote for one) **Trustee of Trust Funds** – Three-year term (Vote for one) Lutz N. Wallem – 99 votes

**Supervisor of Checklist** – Two-year term (Vote for one) Joan Hughes – 111 votes

### Town of Lincoln Minutes of Town Meeting - 2009

Moderator O.J. Robinson called the business meeting to order at 7:30 pm.

OJ welcomed everyone to the meeting and invited all to exercise their right of democracy. He informed the voters that this is your tax money that we will be voting on. Actually it is only half of your tax money and the other half will be at the school district meeting next Thursday. OJ encouraged everyone to participate, ask questions, and engage in discussions. We want to hear your comments and opinions.

Every year there are new people in the audience so OJ took a minute to introduce himself as Town Moderator; Peter Joseph (Town Manger), Peter Moore (Selectman), Deanna Huot (Selectman), Patricia McTeague (Selectman), Susan Whitman (Town Clerk/Tax Collector), and Helen Jones (Finance Officer).

OJ then proceeded to go over the rules of the meeting.

- 1. Please be recognized to speak and not just shout out comments
- 2. State your name
- 3. If you are a person with a position please state that position (ie: Chief of Police)
- 4. Use the microphone
- 5. Keep comments on the issue at hand
- 6. Each Article needs motion and a second one to discuss it
- 7. Articles can be amended, any amendment needs to have a motion and be seconded
- 8. You must be a registered voter in the Town of Lincoln in order to vote
- 9. If you want a secret ballot you have to have five registered voters sign a petition

<u>Article 2</u>. To see if the Town will vote to raise and appropriate the sum of three million, nine hundred twenty thousand, thirty nine dollars (\$3,920,039) for the purposes of <u>General</u> <u>Government; Public Safety; Highways; Sanitation; Water Treatment; Health, Welfare, Culture and Recreation; and Long and Short Term Debt including Interest</u>, for the ensuing year, exclusive of all special and individual warrant articles.

William Conn made a motion from the floor to amend Article 2 to raise and appropriate the sum of three million, nine hundred twenty one thousand, thirty-nine dollar, (\$3,921,039) to use the additional \$1000 for the purpose of a contribution to the Lincoln Historical Society. Seconded by Paul Beaudin. Amendment passed by voice vote.

Motion made by: William Conn Seconded by: Paul Beaudin Jr. Article 2 passed as amended by voice vote unanimously <u>Article 3</u>. To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000) into the <u>Solid Waste Facility Improvements Capital Reserve Fund</u> (created in 1999.) (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: Paul Beaudin Jr. Article 3 passed by voice vote unanimously

<u>Article 4</u>. To see if the Town will vote to raise and appropriate twenty thousand dollars (\$20,000) into the <u>Fire Department Truck and Truck Equipment Capital Reserve Fund</u> (created in 1989, amended in 1994.) (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: Thomas Adams Article 4 passed by voice vote with some opposition

<u>Article 5.</u> To see if the Town will vote to raise and appropriate twenty five thousand dollars (\$25,000) into the <u>Revaluation Capital Reserve Fund</u> (created in 1984, amended in 2008.) (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: David Thompson Article 5 passed by voice vote unanimously

<u>Article 6</u>. To see if the Town will vote to raise and appropriate fifty thousand dollars (\$50,000) into the <u>Public Works Vehicle and Equipment Capital Reserve Fund</u> (created in 1990, amended in 2008.) (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 6 passed by voice vote unanimously

<u>Article 7</u>. To see if the Town will vote to raise and appropriate sixteen thousand dollars (\$16,000) into the <u>Sewer System Rehabilitation Capital Reserve Fund</u> (created in 1995). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: Thomas Adams Article 7 passed by voice vote unanimously

<u>Article 8</u>. To see if the Town will vote to raise and appropriate one hundred twenty five thousand five hundred dollars (\$125,500) into the <u>Water System Rehabilitation Capital</u>

**<u>Reserve Fund</u>** (created in 1995). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: Paul Beaudin Jr. Article 8 passed by voice vote unanimously

<u>Article 9</u>. To see if the Town will vote to raise and appropriate one hundred thirty eight thousand dollars (\$138,000) into the <u>Road and Street Reconstruction Capital Reserve</u> <u>Fund</u> (created in 1994). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: David Thompson Article 9 passed by voice vote unanimously

<u>Article 10</u>. To see if the Town will vote to raise and appropriate seventy thousand dollars (\$70,000) into the <u>Road and Street Reconstruction Capital Reserve Fund</u> (created in 1994). (The Budget Committee and Selectmen recommend this appropriation.)

(Note: This represents the costs for the design and engineering of roadway, water, and sewer improvements to Bog Brook, Parker, Maltais Farm, and Goodbout Roads. It is the Selectmen's intent to insert an article on next year's warrant for funding of the second (construction) phase of the project.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 10 after a lengthy discussion passed by voice vote unanimously

Selectman Peter Moore made a motion to restrict reconsideration of Articles 2-10. Seconded by: William Conn Motion passed by voice vote unanimously

<u>Article 11</u>. To see if the Town will vote to raise and appropriate three thousand dollars (\$3,000) into the <u>Library Technology Capital Reserve Fund</u> (created in 1997). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: Thomas Adams Article 11 passed by voice vote unanimously

<u>Article 12</u>. To see if the Town will vote to raise and appropriate twenty five thousand dollars (\$25,000) into the <u>Library Building Capital Reserve Fund</u> (created in 1991.) (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: Thomas Adams Article 12 passed by voice vote unanimously

<u>Article 13</u>. To see if the Town will vote to raise and appropriate four thousand seven hundred and fifty dollars (\$4,750) into the <u>Property and Building Maintenance</u> <u>Expendable Trust Fund</u> (created in 2007). (The Budget Committee and Selectmen recommend this appropriation.)

> Motion made by: William Conn Seconded by: Paul Beaudin Jr. Article 13 passed by voice vote unanimously

<u>Article 14</u>. To see if the Town will vote to raise and appropriate twenty two thousand dollars (\$22,000) into the <u>Property and Building Maintenance Expendable Trust Fund</u> (created in 2007). (The Budget Committee and Selectmen recommend this appropriation.)

(Note: This represents the estimated amount required to replace the top ski tow lift building at the Kancamagus Recreation Area.)

Motion made by: William Conn Seconded by: Tamra Ham

Selectman Deanna Huot made a motion to amend Article 14 to read thirty thousand dollars (\$30,000.) instead of twenty two thousand dollars (\$22,000). Seconded by Tamra Ham. Amendment passed by voice vote.

Article 14 passed by voice vote with some opposition as amended

<u>Article 15</u>. New Ski Tow Hut at Summit (Building and Excavation) \$40,000. (By petition). (The Budget Committee and Selectmen do not recommend this appropriation.)

Selectman Deanna Huot made a motion to table Article 15. Seconded by Paul Beaudin Jr.

Article 15 was tabled by voice vote.

Selectman Deanna Huot made a motion to restrict Articles 11 – 15. Seconded by Paul Beaudin Jr. Motion to restrict passed by voice vote.

<u>Article 16</u>. To see if the Town will vote to raise and appropriate one hundred dollars (\$100) into the <u>Memorial Park Monument Capital Reserve Fund</u> (created in 1992, amended in 1993). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 16 passed by voice vote

<u>Article 17</u>. To see if the Town will vote to raise and appropriate fourteen thousand five hundred dollars (\$14,500) into the <u>Community Building Expendable Trust Fund</u> (created in 2005). (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 17 passed by voice vote

<u>Article 18</u>. To see if the Town will vote to raise and appropriate twenty three thousand one hundred and fifty two dollars and twenty five cents (\$23,152.25) to be used to upgrade the windows and insulation in the Community Building. This funding is contingent on the receipt of a USDA Community Building Grant. No part of this amount is to be raised by taxation.

Motion made by: Paul Beaudin Jr. Seconded by: Tamra Ham Article 18 passed by voice vote unanimously

<u>Article 19</u>. To see if the Town will vote to raise and appropriate twenty four thousand seven hundred ninety one dollars and fifty-two cents (\$24,791.52) for purposes allowed under the State of New Hampshire Highway Block Grant Program. This money is to be completely offset by funding from the State of New Hampshire Highway Block Grant Program. No part of this amount is to be raised by taxation.

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 19 passed by voice vote unanimously

<u>Article 20</u>. To see if the Town will vote to establish a revolving fund under the provisions of RSA 31:95-h, to be known as the <u>Police Department Detail Revolving Fund</u>, for the purpose of providing police department contracted details and to deposit 100% of all fees collected pertaining to direct payroll costs into this fund, and further to authorize the Lincoln Board of Selectmen to expend monies from such fund for the purposes of providing police department contracted details.

(Note: All non-payroll related costs (i.e. administrative fees) collected for this service are to be deposited into the Town's general fund.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 20 passed by voice vote unanimously <u>Article 21</u>. To see if the Town will vote to ratify a 10 year lease agreement between the Lincoln Board of Selectmen and the White Mountain Snowmobile Club as required by RSA 41:11-a. The lease is to be according to terms agreed on between the Selectmen and the Snowmobile Club.

Motion made by: Tamra Ham Seconded by: Paul Beaudin Article 21 passed by voice vote

<u>Article 22</u>. To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Town and the Teamsters Local #633, which represents the dispatchers and sworn police officers of the Town. Said agreement calls for increases in salary and benefit costs, estimated as follows, assuming present staffing levels were to remain unchanged:

2009 Estimated increase over 2	2008	\$ 94,284.00
2010 Estimated increase over 2	2009	\$ 20,737.00

and further, to raise and appropriate the sum of ninety four thousand two hundred and eighty four dollars (\$94,284.00) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (The Budget Committee and Selectmen recommend this appropriation.)

(Note: Said collective bargaining agreement and cost items were approved by the 2008 Town Meeting, but the cost items were subsequently disallowed by the NH Department of Revenue Administration due to errors in the noticing of the warrant article.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 22 passed by voice vote

<u>Article 23</u>. To see if the Town will vote to raise and appropriate twenty eight thousand nine hundred and eighty one dollars (\$28,981) for the following Police Department vehicle purchases:

\$7,101 for the third and final year's payment for the Chief's cruiser, as originally approved at 2007 Town Meeting.

\$21,880 for the first year's payment on a three-year lease for two duty cruisers. This lease contains a non-appropriations clause. The total cost for the two cruisers over three years will be \$65,640, or \$32,820 each.

Motion made by: William Conn

Seconded by: Paul Beaudin Jr. Article 23 passed by voice vote with some opposition

Article 24. To see if the Town will vote to discontinue the <u>Ballfield Capital Reserve Fund</u> (created in 1997) and to transfer one hundred forty nine dollars and fifty-one cents (\$149.51) and all interest accrued since December 31, 2008 from this fund into the Town's general fund.

Motion made by: Tamra Ham Seconded by: William Conn Article 24 passed by voice vote unanimously

<u>Article 25</u>. To see if the Town will vote to discontinue the <u>Incinerator Closeout Capital</u> <u>Reserve Fund</u> (created in 1997), and to transfer ten dollars and twenty cents (\$10.20) and all interest accrued since December 31, 2008 from this fund into the Town's general fund.

Motion made by: Tamra Ham Seconded by: William Conn Article 25 passed by voice vote unanimously

Article 26. To see if the Town will vote to discontinue the <u>Town Building Capital Reserve</u> <u>Fund</u> (created in 1989) and to transfer two thousand five hundred seven dollars and twentyfour cents (\$2,507.24) and all interest accrued since December 31, 2008 from this fund into the Town's general fund.

> Motion made by: Tamra Ham Seconded by: William Conn Article 26 passed by voice vote with some opposition

<u>Article 27</u>. To see if the Town will vote to raise and appropriate two thousand five hundred and seven dollars and twenty-four cents (\$2,507.24) into the <u>Property and Building</u> <u>Maintenance Expendable Trust Fund</u> (created in 2007). This amount is to come from the Town's general fund. This money represents the discontinued amount described in article #26. No part of this amount is to be raised by taxation. This article is contingent on the approval of article #26. (The Budget Committee and Selectmen recommend this appropriation.)

> Motion made by: William Conn Seconded by: Tamra Ham Article 27 passed by voice vote

Article 28. To see if the Town will vote to discontinue the <u>Rt. 3 Sidewalk Capital Reserve</u> <u>Fund</u> and to transfer twenty eight thousand three hundred and fifty four dollars and sixtyseven cents (\$28,354.67) and all interest accrued since December 31, 2008 from this fund into the Town's general fund.

> Motion made by: William Conn Seconded by: Paul Beaudin Article 28 passed by voice vote

<u>Article 29</u>. To see if the Town will vote to raise and appropriate twenty eight thousand three hundred and fifty four dollars and sixty-seven cents (\$28,354.67) into the <u>Roads and Streets</u> <u>Capital Reserve Fund</u>. This amount is to come from the Town's general fund. This money represents the discontinued amount described in article #28. No part of this amount is to be raised by taxation. This article is contingent on the approval of article #28. (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: William Conn Seconded by: Tamra Ham Article 29 passed by voice vote

<u>Article 30</u>. To see if the Town will vote to raise and appropriate three thousand six hundred and fifty dollars (\$3,650) into the <u>Town Cemetery Maintenance Expendable Trust Fund</u> (created in 2006). This represents the amount paid to the Town in cemetery fees during FY 2008. (The Budget Committee and Selectmen recommend this appropriation.)

Motion made by: Paul Beaudin Jr. Seconded by: William Conn Article 30 passed by voice vote unanimously

<u>Article 31</u>. To see if the Town will vote to raise and appropriate thirty thousand dollars (\$30,000) into the <u>Roland Dubois Settlement Wastewater Capital Reserve Fund</u> (created in 2004), This amount is to come from the Town's general fund. This amount represents the amount to be accepted from Loon Mountain Recreation Corp., with no amount to be raised by taxation. (The Budget Committee and Selectmen recommend this appropriation.)

(Note: The Roland Dubois settlement calls for additional payments of \$30,000 per year for 6 additional years, and it is the Selectmen's intent to insert additional articles each year. The Selectmen were appointed as agents in 2004 to expend this fund for capital improvements to the Town's sewage treatment required by the Clean Water Act.)

Selectman Patricia McTeague made a motion for Article 31 to read thirty six thousand, six hundred thirty three dollars and twenty-four cents (\$36,633.24). Seconded by William Conn. Passed by voice vote.

Motioned by Patricia McTeague Seconded by William Conn. Article 31 passed by voice vote.

Article 32. To transact any other business that may legally come before the meeting.

Moderator OJ Robinson thanked everyone for coming to Town Meeting and participating in town government. He also reminded us that we just voted on forty-nine (49%) per cent of our tax bill and the rest of it will be voted on next Thursday, March 19, 2009 at the school district meeting held at the elementary multi purpose room.

William Conn inquired how the Board of Selectman stood on the gambling bill that the State is proposing. Selectman Deanna Huot responded by saying, that as a board they have not discussed it. She does believe that there are varying ideas on the board. Until more information is put forth, the board does not have a decision or recommendation for support or against it at this time.

William Conn also inquired about the expenditures from the contingency fund. Town Manager Peter Joseph answered his request by commenting on some of the expenses and informed all the voters that they are welcome to come to the town office at any time and review the list.

Moderator OJ Robinson asked if there were any other business to be brought before the town. There being none, Paul Beaudin Jr. made a motion to adjourn the meeting, seconded by Celeste Reardon. Motion passed with a unanimous affirmative vote. The annual Town of Lincoln meeting adjourned at 10:02 pm.

I hereby certify that the above return of the annual Lincoln Town Meeting of March 10, 2009 is true and correct to the best of my knowledge.

Respectfully submitted,

Susan Whitman

Susan Whitman, Town Clerk

# Warrant and Budget

# Town of Lincoln, New Hampshire

# Annual Town Meeting March 9, 2010

#### Town of Lincoln Annual Meeting Warrant March 9, 2010

To the inhabitants of the Town of Lincoln, in the County of Grafton, and State of New Hampshire, who are qualified to vote in Town affairs: You are hereby notified to meet at the Lin-Wood Public School, in Said Lincoln on Tuesday, the ninth (9<sup>th</sup>) day of March, next at 10:00 am until 6:00 pm for the casting of ballots; and at 7:30 pm in the same day to act upon the following articles: (The polls will not close earlier than six o'clock in the evening.)

# ARTICLES ONE THROUGH FOUR WILL APPEAR ON THE OFFICIAL BALLOT AND WILL BE VOTED ON FROM 10:00 AM UNTIL 6:00 PM.

<u>Article 1.</u> To choose all necessary Town Officers for the year ensuing as follows: Selectman, Moderator, Budget Committee Member, Library Trustee, Cemetery Trustee, Trustee of Trust Funds, and Supervisor of the Checklist.

**Article 2.** Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town Land Use Plan Ordinance as follows: To amend the Floodplain Development District regulations as required for the Town's continued participation in the National Flood Insurance Program? (The full text of the proposed changes will be available for review at the Town Offices prior to March 9<sup>th</sup>, 2010, and at the polling place on voting day). (The Planning Board recommends approval of this amendment).

<u>Article 3.</u> Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town Land Use Plan Ordinance as follows: To amend the Land Use Schedule to include a section addressing "Gaming Facilities" ? (The full text of the proposed changes will be available for review at the Town Offices prior to March 9<sup>th</sup>, 2010, and at the polling place on voting day). (The Planning Board recommends approval of this amendment).

<u>Article 4.</u> Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town Land Use Plan Ordinance as follows: To amend the Zoning Map to change the designation of 4 parcels along Rt. 3 from the Rural Residential (RR) zone to the General Use (GU) zone? (A list and map of these parcels will be available for review at the Town Offices prior to March 9<sup>th</sup>, 2010, and at the polling place on voting day). (The Planning Board recommends approval of this amendment).

THE FOLLOWING ARTICLES WILL BE TAKEN UP DURING THE BUSINESS MEETING BEGINNING AT 7:30 PM.

<u>Article 5.</u> To see if the Town will vote to raise and appropriate the sum of one million, eight hundred ninety thousand, three hundred dollars (\$1,890,300) for the purpose of roadway, water, sewer, and associated utility improvements to Parker, Bog Brook, Maltais Farm and Goodbout Roads; with one million, eight hundred seventy thousand (\$1,870,000) dollars of said sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain, and accept federal, state, or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof;

and to authorize the Selectmen to take any action or to pass any other vote relative thereto. The balance of the appropriation (twenty thousand three hundred dollars (\$20,300.00)) is to be raised by taxation and used for bond costs, legal costs, short-term loan interest, and other costs associated with the bond issue. A 2/3-ballot vote required. Polls are to remain open for at least one hour following discussion. (The Budget Committee and Selectmen recommend this appropriation).

<u>Article 6.</u> To see if the Town will vote to raise and appropriate the sum of four million, eighty nine thousand, three hundred fifty nine dollars (\$4,089,359) for the purposes of <u>General</u> <u>Government; Public Safety; Highways; Sanitation; Water Treatment; Health, Welfare,</u> <u>Culture and Recreation; and Long and Short Term Debt including Interest</u>, for the ensuing year, exclusive of all special and individual warrant articles. (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 7.</u> To see if the Town will vote to authorize the appointment of the Treasurer pursuant to RSA 41:26-e. Such appointment will be by recommendation of the Town Manager with approval of the Board of Selectmen. The effective date of this action shall be at the expiration of the current elected Treasurer's term, or at the first vacancy of the office, whichever should come first.

<u>Article 8.</u> To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000) into the <u>Solid Waste Facility Improvements Capital Reserve Fund</u> (created in 1999.) (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 9.</u> To see if the Town will vote to raise and appropriate ninety thousand dollars (\$90,000) into the <u>Fire Department Truck and Truck Equipment Capital Reserve Fund</u> (created in 1989, amended in 1994.) (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 10.</u> To see if the Town will vote to raise and appropriate thirty five thousand dollars (\$35,000) into the <u>Revaluation Capital Reserve Fund</u> (created in 1984, amended in 2008.) (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 11.</u> To see if the Town will vote to raise and appropriate sixty thousand dollars (\$60,000) into the <u>Public Works Vehicle and Equipment Capital Reserve Fund</u> (created in 1990, amended in 2008.) (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 12.</u> To see if the Town will vote to raise and appropriate five thousand dollars (\$5,000) into the <u>Police Department Equipment Capital Reserve Fund</u> (created in 1995.) (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 13.</u> To see if the Town will vote to raise and appropriate thirty three thousand dollars (\$33,000) into the <u>Sewer System Rehabilitation Capital Reserve Fund</u> (created in 1995). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 14.</u> To see if the Town will vote to raise and appropriate fifty thousand dollars (\$50,000) into the <u>Water System Rehabilitation Capital Reserve Fund</u> (created in 1995). (The Budget Committee and Selectmen recommend this appropriation.)

### Town of Lincoln Annual Meeting Warrant

<u>Article 15.</u> To see if the Town will vote to raise and appropriate one hundred and fifty nine thousand dollars (\$159,000) into the <u>Road and Street Reconstruction Capital Reserve Fund</u> (created in 1994). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 16.</u> To see if the Town will vote to raise and appropriate fourteen thousand four hundred dollars (\$14,400) into the <u>Engineering and Planning Capital Reserve Fund</u> (created in 1997). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 17.</u> To see if the Town will vote to raise and appropriate thirty six thousand dollars (\$36,000) into the <u>Roland Dubois Settlement Wastewater Capital Reserve Fund</u> (created in 2004), This amount is to come from the Town's general fund. This amount represents the amount to be accepted from Loon Mountain Recreation Corp., with no amount to be raised by taxation. (The Budget Committee and Selectmen recommend this appropriation.)

(Note: The Roland Dubois settlement calls for additional payments of approximately \$36,000 per year for 5 additional years, and it is the Selectmen's intent to insert additional articles each year. The Selectmen were appointed as agents in 2004 to expend this fund for capital improvements to the Town's sewage treatment required by the Clean Water Act.)

<u>Article 18.</u> To see if the Town will vote to raise and appropriate eight thousand four hundred dollars (\$8,400) into the <u>Kancamagus Recreational Area Equipment Capital Reserve Fund</u> (created in 2005).(The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 19</u>. To see if the Town will vote to raise and appropriate three thousand nine hundred and fifty dollars (\$3,950) into the <u>Town Cemetery Maintenance Expendable Trust Fund</u> (created in 2006). This represents the amount paid to the Town in cemetery fees during FY 2009. (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 20.</u> To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000) into the <u>Community Building Expendable Trust Fund</u> (created in 2005). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 21.</u> To see if the Town will vote to raise and appropriate twenty six thousand six hundred and thirty dollars (\$26,630) into the <u>Property and Building Maintenance Expendable Trust</u> <u>Fund</u> (created in 2007). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 22.</u> To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000) into the <u>Village Center and Riverfront Park Expendable Trust Fund</u> (created in 2008). (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 23.</u> To see if the Town will vote to establish an expendable trust fund pursuant to RSA 31:19-a to be known as the <u>Employee Separation Expendable Trust Fund</u>, for the purpose of funding any lump-sum payments made to employees at the time of separation as allowed by the Town's personnel policies (such payments may include, but are not limited to payouts for accrued unused vacation time, personal time, or sick time) and to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed into this fund. And furthermore to name the Selectmen as agents to expend from this fund. (The Budget Committee and Selectmen recommend this appropriation.)

### **Town of Lincoln Annual Meeting Warrant**

<u>Article 24.</u> To see if the Town will vote to raise and appropriate the sum of twenty one thousand, eight hundred seventy nine dollars (\$21,879) for the second year's lease payment on two duty cruisers, previously approved at the 2009 Annual Town Meeting. If this annual appropriation is not approved, the lease will expire. (The Budget Committee and Selectmen recommend this Appropriation)

<u>Article 25.</u> To see if the Town will vote to authorize the Selectmen to enter into a three year lease agreement totaling thirty six thousand dollars (\$36,000) for the purpose of leasing one duty cruiser, and to raise and appropriate the sum of twelve thousand dollars (\$12,000) for the first year's payment for that purpose. This lease agreement contains an escape clause. (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 26.</u> To see if the Town will vote to raise and appropriate twenty four thousand one hundred and forty five dollars (\$24,145) for purposes allowed under the State of New Hampshire Highway Block Grant Program. This appropriation is to be completely offset by revenue from the State of New Hampshire Highway Block Grant Program. No part of this amount is to be raised by taxation. (The Budget Committee and Selectmen recommend this appropriation.)

Article 27. To see if the Town will vote to raise and appropriate thirty thousand dollars (\$30,000) for purposes allowed under the State of New Hampshire Recreational Trails Program Grant, number 2008-013(b). This appropriation is to be completely offset by revenue from said State of New Hampshire Recreational Trails Program Grant. No part of this amount is to be raised by taxation. (The Budget Committee and Selectmen recommend this appropriation.)

Article 28. To see if the Town will vote to raise and appropriate eight thousand three hundred and fifty dollars (\$8,350) for use by the Fire Department for purposes allowed by the Federal Emergency Management Agency's Staffing for Adequate Fire and Emergency Response (SAFER) grant program. This appropriation is to be completely offset by revenue from said SAFER grant program. No part of this amount is to be raised by taxation. (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 29</u>. To see if the Town will vote to raise and appropriate \$19,000 for the purpose of replacing a passenger van for the Recreation Department. (The Budget Committee and Selectmen recommend this appropriation.)

<u>Article 30.</u> To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President.

Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage".

(By petition).

### \*\*BUDGET SUMMARY\*\*

	PRIOR YEAR ADOPTED BUDGET	SELECTMEN'S RECOMMENDED BUDGET	BUDGET COMMITTEE'S RECOMMENDED BUDGET
Operating Budget Appropriations Recommended (from pg. 5)	3,921,039	4,089,999	4,089,359
Special Warrant Articles Recommended (from pg. 6)	572,133	521,380	561,380
Individual Warrant Articles Recommended (from pg. 6)	202,071	2,005,674	2,005,674
TOTAL Appropriations Recommended	4,695,243	6,617,053	6,656,413
Less: Amount of Estimated Revenues & Credits (from above)	1,605,495	3,286,193	3,286,193
Estimated Amount of Taxes to be Raised	3,089,748	3,330,860	3,370,220

Maximum Allowable Increase to Budget Committee's Recommended Budget per RSA 32:18: \$ 427,441.00 (See Supplemental Schedule With 10% Calculation)

MS-7 Rev. 08/09

### **BUDGET COMMITTEE SUPPLEMENTAL SCHEDULE**

(For Calculating 10% Maximum Increase)

(RSA 32:18, 19, & 32:21)

### VERSION #1: Use if you have no Collective Bargaining Cost Items or RSA 32:21 Water Costs

	RECOMMENDED AMOUNT
1. Total <b>RECOMMENDED</b> by Budget Comm. (See Posted Budget MS7, 27, or 37)	6,656,413.00
LESS EXCLUSIONS:	316,192.00
2. Principal: Long-Term Bonds & Notes	
3. Interest: Long-Term Bonds & Notes	195,807.00
4. Capital Outlays Funded From Long-Term Bonds &Notes per RSA 33:8 & 33:7-b.	1,870,000.00
5. Mandatory Assessments	
6. Total exclusions (Sum of rows 2 - 5)	< 2,381,999.00>
<ol> <li>Amount recommended less recommended exclusion amounts (line 1 less line 6)</li> </ol>	4,274,414.00
8. Line 7 times 10%	427,441.00
9. Maximum Allowable Appropriations (lines 1 + 8)	7,083,854.00

Line 8 is the maximum allowable increase to budget committee's <u>recommended</u> budget. Please enter this amount on the bottom of the posted budget form, MS7, 27, or 37.

Please attach a copy of this completed supplemental schedule to the back of the budget form.

Executive Councilor District One

#### Report to the People of District One By: Executive Councilor Ray Burton

2009 was indeed the year of American Recovery and Reinvestment Act (ARRA)/Stimulus Funds in New Hampshire!

As of November 4, 2009, \$579,305,870.00 had been allocated in New Hampshire in nine areas: business/community; education; employment; energy; health; housing; safety; technology and transportation. Of that \$181,463,876.00 went to Council District One towns and cities and the counties of Belknap, Carroll, Coos, Grafton and Sullivan.

The ARRA money has enabled local, state and county government to work on projects that have been in process and planning for years. For a complete listing of these projects go to: <u>www.ed.state.nh.us/education/recovery/index.htm</u> or write to my office.

Governor Lynch has now submitted the New Hampshire Transportation Plan to the New Hampshire House and Senate. Highways/bridges, rail, aviation and public projects are among the proposed recommendations. Contact your local State Senator and Legislator for details about what projects you believe to be key ones for your region.

As Councilor, I do not see new revenues being raised in New Hampshire State Government. With the decline in existing revenues leading to cut backs in services, only time will determine what the law making branch has in mind for new dollars. Keep in close touch with your local State Senator and Legislator to make sure costs are NOT passed on to county and local government.

The Governor and Council are required by law to fill dozens of boards and commissions with volunteers. If you are interested in serving, please send a letter of interest and your resume to Governor John Lynch, Attention: Jennifer Kuzma, Appointment Liaison, State House, 107 North Main Street, Concord, NH 03301 For the current list of what possible appointments might be coming up go to: http://www.sos.nh.gov/redbook/index.htm.

There is a constant flow of informational items available at my office: tourist maps, consumer handbooks and the New Hampshire Constitution. Each Monday I send, via e-mail, the schedule of my weekly meetings and other information. Send me your e-mail to be added to the list at <u>rburton@nh.gov</u> or find the schedule on my State House web page at: <u>http://www.nh.gov/council/district1/schedules</u>.

Contact my office anytime I can be of help.

## North Country Home Health and Hospice Agency, Inc.

North Country Home Health & Hospice Agency has been meeting the home health and hospice needs of the North Country since 1971.

North Country Home Health & Hospice Agency provides skilled services such as nurses, therapist, home health aides, medical social workers, and homemakers. Under our hospice program we also pay for medications for symptom relief, medical supplies and equipment, short term hospitalization and in-patient respite care, counseling and pastoral support. Our Compassionate Care program provides limited amounts of free skilled care to those living with a life-limiting illness who are not eligible for traditional hospice benefits. In January 2007, we added hospice volunteer services to improve our continuum of care by creating an even stronger program of hospice and palliative care for residents. In 2009, we traveled 221,820 miles to provide 23,315 visits to the residents in our 21-Town service area.

North Country Home Health and Hospice relies on Town support and individual donations to help underwrite the cost of providing home health and hospice care to residents who are uninsured or underinsured. The Board of Directors and Staff of North Country Home Health & Hospice are grateful for your continued support of our work in this community and look forward to working with you to meet the home care and hospice needs of the residents of Lincoln.

## North Country Council

### North Country Council, Inc.

Regional Planning Commission & Economic Development District The Cottage at the Rocks 107 Glessner Road Bethlehem, New Hampshire 03574 (603) 444-6303 FAX: (603) 444-7588 E-mail: nccinc@nccouncil.org

December 4, 2009

Dear Friends,

This year has been an exceptional tough year, not only for our region, but the entire country. We realize that all of our communities have struggled with budgets and the economic hardships of it's cittizens and we hope that North Country Council has been able to help. We would like to thank all of you for your support of the North Country Council this past year.

We continued to deliver planning services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and you will see this in the programs that we will be introducing in the coming years. We are continuing our Community Outreach program targeted at helping our planning boards in the difficult tasks of managing the planning activities in their communities. These programs, as well as all the traditional programs in master planning, solid waste management, natural resource planning, Brownfields Assessments and transportation planning, will continue to be a focus of North Country Council. Our primary focus this year has been on economic development as we try to respond to the economic downturn in the region. We continued our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. We applied for and received a number of very significant grants from EDA for the region as well as a significant Brownfields Grant from EPA.

Again, thank you for all of your support for the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community need. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Respectfully submitted.

Michael King Executive Director

# Linwood Ambulance Service

Linwood Ambulance Service had many accomplishments in 2009. From great public awareness and training, awards, to a burst of new members, and of course emergency medical services provided to this community.

We continue to offer CPR training the first Monday of each month. Last year we trained around 65 people. There are 27 AEDs (Automated External Defibrillators) in our community. The American Heart Association has recognized the importance of early CPR and use of AED. The State of New Hampshire has a program that designates communities as "Heart Safe". We applied for this designation and been approved. The requirements were met because of local businesses purchasing the AED and individuals taking the three hour CPR class. Signs will welcome persons to Lincoln and Woodstock as a "Heart Safe Community"

Ken Chapman was named EMS Provider of the year by the North Country Public Safety Foundation. Jane Duguay and Rita Rand both retired this year. Jane had volunteered with the ambulance for 20 years and Mrs. Rand a member of the Board of Directors for nearly 30 years. Both received plaques and were named Lifetime Members.

Last spring several agencies worked together to bring a mock car crash to the high school students at Lin-Wood. The crash demonstrated a consequence of driving under the influence of alcohol. These poor choices have devastating results for many. This exercise revealed the harsh reality to our students. The event came just before prom and included a moving presentation from Mothers Against Drunk Driving.

In 2009 we responded to **691** calls. If you haven't already, please post your 911 physical address on the outside of your residence. All public safety responders (fire, police, and ambulance) need to be able to find you in an emergency.

Our greatest achievement in 2009 is the significant increase in volunteers. We now have 27 volunteers including the **ten** new volunteers last year. Their skills range from EMT through Paramedic. In addition to their initial training and testing, all members commit to 36 hours of continuing education each year to maintain their certifications and skill levels. Visit us at <u>www.linwoodambulance.com</u> to learn more about your ambulance service.

The following is an alphabetic list of our current members:

Cheryl Bailey
Augusta Blackstone
Kristyna Champagne
Ken Chapman
Eugene Davis
Ron Fitzgerald
Megan Gaites

Darlene Goodbout Callum Grant Lindsay Green Colin Haase Donna Martel Bill Mead Stacy Meier Holly O'Hara Tom O'Hara Samantha Perkins Kristin Peterson Jon Place Dawn Roby Marti Talbot Ben Thibault Kim Thibault Nick Varin Nicholas Wawrznski Robert Wetherell Amy Zabiegalski

On a side note, Megan Gaites is on leave working as the medical officer on a ship off the coast of Haiti. She is providing medical care to the ship's staff and the United Nations delegates.

On behalf of the board and our members, thank you for your support!

Truly Yours, Adut Wetherell

Robert J. Wetherell, NREMT-P Director Linwood Ambulance Service

### 2009 White Mountain Mental Health and Common Ground Director's Report

#### **Town of Lincoln**

Last night, before I settled down to write this year's Director's Report, I opened the local paper. A feature story was devoted to Eric Hipple, a former Detroit Lion's football player, who lost his 15-year-old son to suicide. The article focused Mr. Hipple's story of tackling his own bouts of severe depression and surviving suicide loss. After reading the article, I had three thoughts. First, we have come a long way toward beating not only the illness of depression, but also the stigma of mental illness. A few years ago, I suspect Mr. Hipple would have hidden his personal struggle for fear of appearing weak or being blamed for his son's death. Today, he is able to use this experience to help others and to reassure all of us that, as the book title says, "Real Men Do Cry". For those of us in the mental health field, this progress is great to see. My second thought was that people reading the article need to know that Community Mental Health Centers like White Mountain Mental Health are here to help. In your community, you do have a place to turn when this kind of crisis strikes your family. My third thought was that our national and state governments are short-sighted in cutting funding for mental health. To put this another way, it is the best of times for mental health as more people recognize that getting treatment for a mental illness is much like getting treatment for a physical illness; private but not shameful. But it is also the worst of times. This year has been one of the most challenging ever for Community Mental Health Centers in our state and throughout the country. As the State of New Hampshire struggles with a budget deficit, payments to mental health centers are being cut. There is absolutely no subsidy to help mental health centers provide services on a sliding fee scale to those people who clearly need our support, but who are not severely and persistently mentally ill and eligible for State support through Medicaid. In this environment, I am happy to be able to report that White Mountain Mental Health, unlike many mental health centers and private practitioners, has continued to welcome all residents of our communities who come to us for help. Our ability to keep our doors open to everyone is directly related to the appropriations we receive from our towns. Your help is also crucial in allowing us to maintain our satellite locations in Lincoln, Woodsville and Lancaster. In this economy, being able to receive services close to home is important.

Many people have asked me this year if we notice a change in the people seeking mental health care. The answer is a resounding "yes"! People who have never needed mental health care in their lives are experiencing overwhelming challenges. Many hard working residents of the North Country have lost jobs this year. Loss of a job takes away not only income, but also health insurance and, in many cases, self esteem and personal stability. Our children feel the impact of our stress. It is hard to be a nurturing and patient parent when you are trying to come to grips with major losses in your life. Those who have been lucky enough to maintain employment may be working two or three jobs to make ends meet. It is hard to find a person who feels that their emotional and financial status has improved this year. Our referrals are up and both the number of people needing our services and the severity of their situations has increased. We are thankful that our communities recognize the value of having a resource for mental health, substance abuse and developmental disabilities in their town.

This year White Mountain Mental Health provided **391.75** hours of service to **54** residents of the town of Lincoln. During the year, we have literally saved lives, including the lives of young people who would otherwise have been lost to suicide. We encourage you to know the following warning signs:

- Appearing depressed or sad most of the time.
- (Untreated depression is the number one cause for suicide.)
- Talking or writing about death or suicide.
- Withdrawing from family and friends.
- Feeling hopeless, helpless, strong anger or rage.
- · Feeling trapped -- like there is no way out of a situation.
- Experiencing dramatic mood changes or a personality change.
- Abusing drugs or alcohol.
- Acting impulsively or recklessly.
- · Losing interest in most activities.
- Experiencing a change in sleeping or eating habits.
- · Losing interest in most activities.
- Performing poorly at work or in school.
- · Giving away prized possessions.
- · Feeling excessive guilt or shame.

Although some suicides occur with no warning, approximately 75% of suicides involve one or more of these signs. Thank you for maintaining a vital resource in your community.

Respectfully Submitted,

C Madead ane C. MacKay, LICSW

Jane C. MacKay, LIC Area Director

## **AUDITOR'S REPORT 2009**

**CERTIFIED PUBLIC ACCOUNTANTS** 45 Market Street • Manchester, New Hampshire 03101 (603) 622-7070 • Fax: (603) 622-1452 • www.vcccpas.com

#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Selectmen Town of Lincoln, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Lincoln, New Hampshire (the Town) as of and for the year ended December 31, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Lincoln, New Hampshire as of December 31, 2008 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and the budgetary comparison information on pages iv and 18-19, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Lincoln, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Vachon, Clutary \$ 10., PC

#### TOWN OF LINCOLN, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Voor Ending December 21, 2008 and 2007

Year Ending December 31, 2008 and 2007

Presented herewith please find the Management Discussion & Analysis Report for the Town of Lincoln for the year ending December 31, 2008 and 2007. The responsibility for accuracy of the data, the completeness and fairness of this documentation (including all disclosures) rests with management. To the best of our knowledge and belief, the data contained herein is accurate in material aspects. This report and its content have been designed to fairly present the Town's financial position, including the result of operations of all the funds of the Town. All the disclosures necessary to enable and to assist the reader in acquiring an accurate understanding of the Town's financial activities have been included.

The Town's management is responsible for establishing accounting and internal control structures designed to ensure that the physical, data, informational, intellectual, and human resource assets of the Town are protected from loss, theft and misuse, and to ensure that adequate accounting information is maintained and reported in conformity with generally accepted accounting principles (GAAP). Management also strives to ensure that these assets are put to good and effective use. The internal control structure is designed to provide reasonable assurances that these objectives are attained.

#### **Overview of the Financial Statements**

The financial statements presented herein include all of the activities of the Town of Lincoln using the integrated approach as prescribed by GASB Statement 34.

This discussion and analysis is intended to serve as an introduction to the Town of Lincoln's financial statements. The basic financial statements comprise three components:

- 1. Government-wide financial statements
- 2. Fund financial statements
- 3. Notes to the basic financial statements

This report also contains supplementary information in addition to the financial statements.

#### Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the Town's finances, in a manner similar to most private-sector companies.

The statement of net assets presents information on all of the Town's assets and liabilities, with the difference between the two reported as net assets. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities presents information showing how the Town's net assets changed during the most recent fiscal year. All of the current year's revenue and expenses are taken into account regardless of when cash is received or paid.

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain the control over resources that have been segregated for specific activities or objectives. The Town uses fund accounting to ensure and to

#### TOWN OF LINCOLN, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2008 and 2007

demonstrate compliance with finance-related legal requirements. The Town maintains one fund type: governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Town's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, our readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between the governmental activities statement of net assets and statement of activities.

The Town maintains several individual government funds. Information is presented separately in the government fund balance sheet and the statement of revenues, expenditures and changes in fund balances for the General Fund and Capital Reserve Fund, both of which are considered major funds.

The Town adopts an annual appropriation budget for its governmental funds. A budgetary comparison has been provided for the General Fund to demonstrate compliance with this budget.

#### Notes to the Basic Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### **Government-Wide Financial Analysis**

#### **Statement of Net Assets**

Net assets of the Town of Lincoln as of December 31, 2008 and 2007 are as follows:

	Governmental Activities		
	<u>2008</u>	<u>2007</u>

#### TOWN OF LINCOLN, NEW HAMPSHIRE MANAGEMENT'S DISCUSSION AND ANALYSIS Year Ending December 31, 2008 and 2007

#### Town of Lincoln Governmental Activities

As shown in the above statement the Town experienced an improvement in financial position of \$86,853 on the full accrual basis of accounting in 2008, a 12.86% decrease over 2007.

The General Fund shows a fund balance of \$620,783. This represents a \$166,579 decrease in fund balance from the prior year.

The Capital Reserve fund balance experienced a net increase of \$24,684 which represents interest earned.

#### **General Fund Budgetary Highlights**

Budgetary information for the General Fund and any major Special Revenue Fund is to be included in the Required Supplementary Information section. Budgetary information in the financial statements has been presented only for the General Fund as there is no adopted budget for the Capital Reserve Funds.

Actual revenues on the budgetary basis exceeded the budgeted amount by \$272,653. This is primarily due to higher revenues from the following budgeted sources: \$166,265 from property taxes, \$5,476 from licenses and permits, \$1,016 in interest on deposits and \$127,230 in miscellaneous revenues.

During the year, the original budget decreased by \$90,524. This decrease is the result of approved appropriations to be carried forward to 2009.

The Town under expended its budget by \$15,970. The key areas of savings resulted in the general government function, which yielded a savings of \$23,451.

#### Capital Assets

The Town of Lincoln considers a capital asset to be an asset whose costs exceed or equal \$10,000 and has a useful life of greater than one year. Assets are depreciated using the straight-line method over the course of their useful life.

During the year the Town completed more renovations totaling \$20,874 to the Community building and other police department, highway department equipment and parks and recreation equipment totaling \$67,639.

#### **Long-Term Obligations**

During FY 2008 the Town had a reduction in general obligation bonds of \$379,794 from payments made during the year. Capital lease obligations in the governmental activities experienced a net decrease of \$7,103 as a result of payments made on the public safety vehicle.

#### TOWN OF LINCOLN, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS December 31, 2008

#### NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Lincoln, New Hampshire conform to accounting principles generally accepted in the United States of America for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

#### Financial Reporting Entity

The Town of Lincoln, New Hampshire (the Town) was incorporated in 1764. The Town operates under the Town Meeting form of government and performs local governmental functions authorized by State Law.

The financial statements include those of the various departments governed by the Board of Selectmen and other officials with financial responsibility. The Town has no other organizational units which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board.

#### **Basis of Presentation**

The Town's basic financial statements consist of government-wide statements, including a statement of net assets and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

#### 1. Government-Wide Financial Statements:

The statement of net assets and the statement of activities display information about the Town as a whole. These statements include the financial activities of the primary government, except for fiduciary funds.

The statement of net assets presents the financial condition of the governmental activities of the Town at year end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the Town's governmental activities. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program and interest earned on grants that is required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the Town. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of the Town.

#### 2. Fund Financial Statements:

During the year, the Town segregates transactions related to certain Town functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial

December 31, 2008

statements are designed to present financial information of the Town at this more detailed level. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column.

### Fund Accounting

The Town uses funds to maintain its financial records during the fiscal year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Town employs the use of one category of fund: governmental.

### 1. Governmental Funds:

Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the Town's major governmental funds:

*The General Fund* is the Town's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

*The Capital Reserve Funds* account for all financial resources of the various trust arrangements, held by the Trustees of Trust Funds in which the principal and income benefit the various departments of the Town.

### **Measurement Focus**

### 1. Government-Wide Financial Statements:

The government-wide financial statements are prepared using the economic resources measurement focus. All assets and liabilities associated with the operation of the Town are included on the Statement of Net Assets.

### 2. Fund Financial Statements:

All governmental funds are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for governmental funds.

### **Basis of Accounting**

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Government-wide financial statements are prepared using the accrual basis of accounting. Governmental funds use the modified accrual basis of accounting. Differences in the accrual and the modified accrual basis of accounting arise in the recognition of revenue, the recording of deferred revenue, and in the presentation of expenses versus expenditures.

In the government-wide financial statements, private-sector standards of accounting and financial reporting issued prior to December 1, 1989, are followed to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board.

### 1. Revenues – Exchange and Non-exchange Transactions:

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. For the Town, available means expected to be received within sixty days of fiscal year end.

Non-exchange transactions, in which the Town receives value without directly giving equal value in return, include property taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied (see Note 2). Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Town must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Town on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at fiscal year end: property taxes and interest on investments.

Licenses and permits, charges for services, and miscellaneous revenues (except interest on investments) are recorded as revenues when received in cash because they are generally not measurable until actually received.

### 2. Deferred Revenue:

Deferred revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before the eligibility requirements are met are recorded as deferred revenue. On governmental fund financial statements, receivables that will not be collected within the available period have also been reported as deferred revenue.

December 31, 2008

### 3. Expenses/Expenditures:

On the accrual basis of accounting, expenses are recognized at the time they are incurred.

The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of cost, such as depreciation and amortization are not recognized in governmental funds.

### **Budgetary Data**

The Town's budget represents departmental appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. The Town adopts its budget under State regulations, which differ somewhat from accounting principles generally accepted in the United States of America in that the focus is on the entire governmental unit rather than on the basis of fund types.

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. For the year ended December 31, 2008, the Town applied \$403,605 of its unappropriated fund balance to reduce taxes.

### **Encumbrance** Accounting

Encumbrance accounting, under which purchase orders and other commitments for expenditure of monies are recorded in order to reserve a portion of the applicable appropriation, is employed as an extension of formal budgetary integration in Governmental Funds. Encumbrances outstanding at year end are reported as a component of fund balance since they do not constitute expenditures or liabilities, but rather commitments related to unperformed contracts for goods and services.

### Investments

Investments are stated at their fair value in all funds. Certificates of deposit with a maturity of greater than ninety days from the date of issuance are included in investments.

### Taxes Receivable

Taxes levied during the current fiscal year and prior and uncollected at December 31, 2008 are recorded as receivables net of reserves for estimated uncollectible of \$15,000.

### **Capital Assets**

General capital assets result from expenditures in the governmental funds. These assets are reported in the governmental activities column of the government-wide statement of net assets, but are not reported in the fund financial statements.

All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. Donated fixed assets are recorded at their fair market values as of the date

received. Estimated historical cost was used to value the majority of assets acquired prior to December 31, 2003.

The Town maintains a capitalization threshold of \$10,000. The Town's infrastructure consists of roads, water and sewer lines and drainage systems. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not.

All reported capital assets except for land and construction in progress are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method over the following useful lives:

Description	<u>Years</u>
Buildings and improvements	20-50
Vehicles and equipment	8-10
Land improvements	20
Infrastructure	75

### **Compensated** Absences

Employees may accumulate five weeks of vacation and personal time and eight weeks of sick time that may be paid to the employee upon retirement or termination.

### Accrued Liabilities and Long-Term Obligations

All payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current resources are reported as obligations of the funds. However, compensated absences that will be paid from governmental funds are reported as liabilities in the fund financial statements only to the extent that they are due for payment during the current fiscal year. General obligation bonds and other long-term obligations that will be paid from governmental funds are recognized as a liability in the fund financial statements when due.

### Net Assets

Net assets represent the difference between assets and liabilities. Net assets invested in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances on any borrowings used for the acquisition, construction or improvement of those assets. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The Town's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

### Fund Balance Reserves

The Town reserves those portions of fund balance which are legally segregated for a specific future use or which do not represent available expendable resources and, therefore, are not available for appropriation or expenditure. Unreserved fund balance indicates that portion which is available for appropriation in future periods. A fund balance reserve has been established for continued appropriations.

### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### NOTE 2--PROPERTY TAXES

Taxes are levied on the assessed value of all taxable real property as of the prior April 1 (\$851,777,575 as of April 1, 2008) and were due in two installments on July 1 and December 1. Taxes unpaid after the due date accrue interest at 12% per annum.

The Town collects taxes for the Lincoln-Woodstock Cooperative School District and Grafton County, both independent governmental units, which are remitted to them as required by law. The Town also collects State of New Hampshire Education taxes which are remitted directly to the school district. Taxes appropriated during the year were \$3,375,880 and \$1,151,097 for the Lincoln-Woodstock Cooperative School District and Grafton County, respectively. The Town bears responsibility for uncollected taxes.

Under State law, the Tax Collector obtains tax liens on properties which have unpaid taxes in the following calendar year after taxes were due for the amount of unpaid taxes, interest and costs. The priority tax liens accrue interest at 18% per annum. If the property is not redeemed within a two year redemption period, the property is tax deeded to the Town.

### NOTE 3--RISK MANAGEMENT

The Town is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year ended December 31, 2008, the Town was a member of the New Hampshire Public Risk Management Exchange (PRIMEX). The Town currently reports all of its risk management activities in its General Fund. These Trusts are classified as a "Risk Pools" in accordance with accounting principles generally accepted in the United States of America.

PRIMEX is a Trust organized to provide certain property and liability insurance coverages to member towns, cities, and other qualified political subdivisions of New Hampshire. The Trust also provides statutory worker's compensation coverage. As a member of PRIMEX, the Town shares in contributing to the cost of and receiving benefits from a self-insured pooled risk management program through annual member premiums. The property and liability insurance program includes a Loss Fund from which is paid up to \$500,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000.

December 31, 2008

The worker's compensation benefits and employer's liability provides coverage up to \$2,000,000 and includes a Loss Fund from which is paid up to \$500,000 for each and every covered claim.

The Trust agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. Accounting principles generally accepted in the United States of America require members of pools with a sharing of risk to determine whether or not such assessment is probable and, if so, a reasonable estimate of such assessment. At this time, the Trust foresees no likelihood of an additional assessment for any of the past years.

Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. Based on the best available information there is no liability at December 31, 2008.

### NOTE 4—DEPOSITS AND INVESTMENTS

Deposits and investments as of December 31, 2008 are classified in the accompanying financial statements as follows:

Cash and cash equivalents	\$ 2,078,737
Investments	1,696,524
	\$ 3,775,261

Deposits and investments as of December 31, 2008 consist of the following:

Cash on hand	\$ 27,750
Deposits with financial institutions	2,050,987
Investments	1,696,524
	\$ 3,775,261

The Town's requires that deposits and investments be made in New Hampshire based financial institutions that are participants in one of the federal depositary insurance programs. Responsibility for the investments of the Trust Funds is with the Board of Trustees.

### Custodial Credit Risk

Custodial credit risk for deposits is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. Currently, the Town has no investment policy for assurance against custodial credit risk.

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party.

Of the Town's deposits with financial institutions at year end, bank balances of \$500,635 were insured and \$1,259,446 were collateralized by securities held by the bank in the bank's name.

.

### Investment in NHPDIP

The Town is a voluntary participant in the New Hampshire Public Deposit Investment Pool (NHPDIP). The NHPDIP is not registered with the United States Securities and Exchange Commission as an investment company. The NHPDIP was created by state law and is administered by a public body of state, local and banking officials.

Investments in the NHPDIP are not investment securities and, as such, are not categorized by risk. The Town's exposure to derivatives is indirect through its participation in the NHPDIP. The Town's proportional share of these derivatives is not available. The fair value of the position in the investment pool is equal to the value of the pool shares.

### **NOTE 5--DUE FROM OTHER GOVERNMENTS**

Receivables from other governments at December 31, 2008 consist of reimbursements from the Town of Woodstock in the amount of \$44,946. All receivables are considered collectible in full and will be received within one year.

### NOTE 6--CAPITAL ASSETS

The following is a summary of changes in capital assets:

	Balance <u>1/1/08</u>	Additions	Reductions	Balance <u>12/31/08</u>
Capital assets not being depreciated:				
Land	<u>\$ 1,325,000</u>	******		<u>\$ 1,325,000</u>

Culture and recreation	31,549
Sanitation	40,692
Water distribution and treatment	 114,212
	\$ 412,331

The balance of the assets acquired through capital leases as of December 31, 2008 is as follows:

Vehicles and equipment	\$	22,590
Less: Accumulated depreciation		(13,178)
	<u>\$</u>	9,412

### NOTE 7—DUE TO OTHER GOVERNMENTS

In accordance with State law, the Town collects taxes for the Lincoln-Woodstock Cooperative School District an independent governmental unit, which are remitted to them as required by law. At December 31, 2008, the balance of the property tax appropriation due to the Lincoln-Woodstock Cooperative School District is \$1,700,080.

### **NOTE 8--DEFINED BENEFIT PENSION PLAN**

### **Plan Description**

The Town contributes to the New Hampshire Retirement System (NHRS), a cost-sharing multipleemployer defined benefit pension plan administered by the NHRS Board of Trustees. The plan provides service, disability, death and vested retirement allowances to plan members and beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislature. The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System, 54 Regional Drive, Concord, New Hampshire 03301.

### **Funding Policy**

Covered public safety and general employees are required to contribute 9.3% or 5.0% of their covered salary, respectively, and the Town is required to contribute at an actuarially determined rate. The Town's contribution rates for the covered payroll of police officers and general employees were 11.84% and 8.74% respectively through December 31, 2008. The Town contributes 65% of the employer cost for public safety officers employed by the Town and the State contributes the remaining 35% of the employer cost. The Town contributes 100% of the employer cost for general employees of the Town. On-behalf fringe benefits (GASB Statement #24) contributed by the State of New Hampshire of \$26,097 have been reported as a revenue and expenditure in the General Fund of these Financial Statements.

December 31, 2008

Under State law (RSA-100:16), plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contributions to the NHRS for the year ending December 31, 2008, 2007, and 2006 were \$117,137, \$97,780, and \$75,975, equal to the required contributions for those years.

### NOTE 9—LONG-TERM OBLIGATIONS

Payments on the general obligation bonds and capital leases are paid out of the General Fund. General obligation debt is a direct obligation of the Town, for which full faith and credit is pledged, and is payable from taxes levied on all taxable property located within the Town.

*Changes in Long-Term Obligations* – The following is a summary of debt transactions of the Town for the year ended December 31, 2008:

	Balance			Balance	Current
Type	<u>1/1/08</u>	Additions	<b>Reductions</b>	<u>12/31/08</u>	<b>Portion</b>
General obligation bonds	\$ 5,044,677		\$ 379,794	\$ 4,664,883	\$ 385,352
Capital leases	14,624		7,103	7,521	7,521
Compensated absences	83,725	<u>\$ 20,600</u>	12,514	91,811	
Totals	<u>\$ 5,143,026</u>	\$ 20,600	\$ 399,411	\$ 4,764,215	\$ 392,873

General long term debt – Bonds payable at December 31, 2008 consist of the following General Obligation issues:

\$2,050,000 - 2003 Water Projects Bond due in annual installments of \$105,000 through August 15, 2013; and decreasing to \$100,000 through August 15, 2023; interest	
at 3.5% to 4.9%.	\$ 1,525,000
\$1,200,000 - 2003 Wastewater Treatment Bonds due in	
annual installments of \$60,000 through August 15, 2023; interest at 3.5% to 4.9%.	900,000
\$1,510,000 - 1988 Capital Improvement Bonds due in annual	
installments of \$75,000 through January 15, 2009; interest	
at 7.5% to 7.82%.	75,000
\$3,180,800 1993 Water Treatment Bonds due in semi-annual	
installments of \$105,841, including interest at 5.0%, through	
October 9, 2020 decreasing to \$103,490 on April 9, 2021,	
\$20,755 on October 9, 2021, and \$20,099 on April 9, 2022.	1,954,883
\$300,000 - 2005 Community Building Note due in annual	
installments of \$36,448, including interest at 4.0% through	
July 26, 2015.	210,000
	\$ 4,664,883

December 31, 2008

Summary of Debt Service Requirements to Maturity – The annual requirements to amortize General Obligation Bonds as of December 31, 2008 are as follows:

Year Ending			
December 31,	Principal	Interest	Totals
2009	\$ 385,352	\$ 210,354	\$ 595,706
2010	316,192	195,806	511,998
2011	322,327	183,483	505,810
2012	328,773	170,850	499,623
2013	335,545	157,477	493,022
2014-2018	1,676,735	550,370	2,227,105
2019-2023	1,299,959	155,444	1,455,403
	\$ 4,664,883	\$ 1,623,784	\$ 6,288,667

The State of New Hampshire annually reimburses the Town for a portion of its water debt service. During 2008, reimbursements by the State were \$45,815.

Authorized and Unissued Debt- Long-term debt authorized and unissued at December 31, 2008 is as follows:

Purpose	Amount	
Sewer (1979)	\$	70,000
Sewer Treatment Facility (1987)		700,000
Water System Construction (1991)		219,200
	\$	989,200

### Capital Lease Obligations

Capital lease obligations represent lease agreements entered into for the financing of equipment acquisitions. These contracts are subject to cancellation should funds not be appropriated to meet payment obligations. Amounts are annually budgeted in the applicable function. Following is the individual capital lease obligation at December 31, 2008:

Police cruiser, due in annual installments of \$7,966	
through April 2009, including interest at 5.90%	\$ 7,521

Debt service requirements to retire capital lease obligations outstanding for governmental activities at December 31, 2008 are as follows:

Year Ending			
December 31,	<b>Principal</b>	<u>Interest</u>	<u>Totals</u>
2009	<u>\$ 7,521</u>	<u>\$ 445</u>	<u>\$ 7,966</u>

### NOTE 10--INTERFUND TRANSACTIONS AND BALANCES

During the course of operations, numerous transactions occur between individual funds that may result in amounts owed between funds. The current year interfund balance is due to excess cash spent by the capital projects fund with a pending reimbursement to the general fund. The Capital Reserve Funds have an interfund payable to the general fund for reimbursement of expenditures. Interfund balances at December 31, 2008 are as follows:

	I	Interfund		nterfund
Fund	<u>R</u>	Receivable Pay		Payable
Major Funds:				
General Fund	\$	260,653	\$	1,200
Capital Reserve Funds		600		188,779
Other Governmental Funds:	<u></u>	600		71,874
	\$	261,853	\$	261,853

During the year, several interfund transactions occurred between funds. The various transfers were made in accordance with budgetary authorizations. Interfund transfers for the year ended December 31, 2008 are as follows.

Fund	Tr	Transfers in		ansfers out
Major Funds:				
General Fund	\$	206,821	\$	406,449
Capital Reserve Funds		406,449		105,841
Other Governmental Funds:				100,980
	<u>\$</u>	613,270	\$	613,270

### NOTE 11—TOP TAXPAYERS

The following are the five major property owners as they relate to the assessed property valuation of \$851,777,575:

		Percentage
	Property	of Total
Taxpayer	<b>Valuation</b>	<b>Valuation</b>
MDR South Peak, LLC	\$ 25,380,960	2.98%
Loon Mountain LLC	19,155,820	2.25%
Village Lodge Condominium UOA	13,745,220	1.61%
Southern Peaks at Pollard Brook	13,730,510	1.61%
Beacon Motel, Inc	6,886,150	0.81%

### NOTE 12—PERMANENT FUNDS

Permanent funds account for resources that are legally restricted to the extent that only earnings and not principal may be used for purposes that support the Town's programs. Principal and income balances at December 31, 2008 are as follows:

December 31, 2008

	Pr	<u>incipal</u>	Ir	come	Total
Cemetery Funds	\$	59,109	\$	7,672	\$ 66,781

### NOTE 13—RESTRICTED NET ASSETS

Net assets are restricted for specific purposes at December 31, 2008 as follows:

Endowments	\$ 59,109
Capital projects	324,441
Capital reserve	822,723
	\$ 1,206,273

### NOTE 14--CONTINGENT LIABILITIES

### Litigation

In the opinion of legal counsel and Town management, any potential claims against the Town, which are not covered by insurance are immaterial and would not affect the financial position of the Town.

### TOWN OF LINCOLN, NEW HAMPSHIRE NOTES TO REQUIRED SUPPLEMENTARY INFORMATION December 31, 2008

### NOTE 1--BUDGET TO ACTUAL RECONCILIATION

### **General** Fund

Amounts recorded as budgetary amounts in the Schedule of Revenues, Expenditures and Changes in Fund Balances – Budget and Actual (Budgetary Basis) – General Fund (Schedule 1) are reported on the basis budgeted by the Town. Those amounts differ from those reported in conformity with accounting principles generally accepted in the United States of America in the Statement of Revenues, Expenditures and Changes in Fund Balances – Governmental Funds (Exhibit D). Budgetary information in these financial statements has been presented only for the General Fund as it is neither practical nor meaningful for other funds. Budgetary revenues and expenditures were adjusted as follows:

	Revenues	Expenditures
	and Other	and Other
	Financing	Financing
	Sources	Uses
Exhibit D	\$ 4,063,765	\$ 4,230,344
Difference in property taxes meeting		
susceptible to accrual criteria	269,041	
On-behalf fringe benefits	(26,097)	(26,097)
Encumbrances, December 31, 2007		(2,674)
Schedule 1	\$ 4,306,709	\$ 4,201,573

### NOTE 2--BUDGETARY FUND BALANCES

The components of the budgetary fund balance for the Town's General Fund are as follows:

Designated for subsequent years' expenditures	\$ 90,524
Undesignated	1,201,882
	\$ 1,292,406

### NOTE 3--UNRESERVED DESIGNATED FUND BALANCES

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the appropriations of that year. At year end, continuing appropriations are reported as a component of the General Fund's unreserved fund balance and are detailed as follows:

Unexpended highway block grant	\$	90,524

### **REPORT ON INTERNAL CONTROL BASED ON AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen Town of Lincoln, New Hampshire

In planning and performing our audit of the financial statements of the Town of Lincoln, as of and for the year ended December 31, 2008, in accordance with auditing standards generally accepted in the United States of America, we considered the Town of Lincoln's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Lincoln's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Lincoln's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Town's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Town's financial statements that is more than inconsequential will not be prevented or detected by the Town's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Town's internal control.

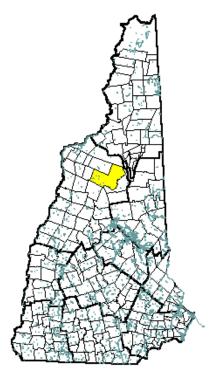

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This communication is intended solely for the information and use of management, Board of Selectmen, others within the organization and is not intended to be and should not be used by anyone other than these specified parties

### Incorporated: 1764

**Origin:** Long before Abraham Lincoln's birth, this town was named in 1764 for Henry Clinton, ninth Earl of Lincoln, a cousin to the Wentworths. He held the position of Comptroller of Customs for the port of London under George II and George III, which was important to trade between America and England. In 1772, on claim of forfeiture by Sir Francis Bernard and others, a regrant was issued. However, a court decision in the case of Landaff and Dartmouth College that such forfeiture was illegal returned ownership to the original grant recipients. A portion of Lincoln, known as Pullman, was one of the earliest lumber towns. Lincoln is second-largest town in land area; only Pittsburg is larger.

Villages and Place Names: North Lincoln, Stillwater

Population, Year of the First Census Taken: 22 residents in 1790

**Population Trends:** Lincoln was one of five communities with a decrease in population over the last five decades. Population change for Lincoln totaled 144, from 1,415 in 1950 down to 1,271 in 2000. The largest decennial percent change was a 13 percent decrease between 1950 and 1960. The 2007 Census estimate for Lincoln was 1,331 residents, which ranked

168th among New Hampshire's incorporated cities and towns.

**Population Density and Land Area** (*NH Office of Energy & Planning*): 10.1 persons per square mile of land area. Lincoln contains 130.8 square miles of land area and 0.2 square miles of inland water area.

November 25-26:	Thanksgiving Day – Town Offices Closed Thursday & Friday
December 2:	Last day to pay 2nd Property Tax Bill before interest accrues
December 24:	Christmas Eve Day – Town Offices Closed

The 2009 town report marks the end of an era. The era of large scale commercial use of the great resource of our north country, trees. Trees and the mountains that contain them have been the principal interest of all those who have ventured north, both the logger barons and the tourist. Today logging continues on a much diminished level but does continue in a healthy relationship to the resource. From 1853 when the Merrimack River Co. began logging the East Branch of the Pemi, through the great boom beginning in 1892 with J.E. Henry's sawmill and on to the paper making era of the Parker Young Co. and the Franconia Paper Co., the people of Lincoln found employment and built our community. Many still remember what was good and worth cherishing about being a "mill town". This period located our town where it now lies, established civic institutions and formed the basis for our municipal infrastructure. In 1977 the final owner, the Profile Paper Co., closed the mill doors for the last time. The mill buildings that remained have stood silently for the last 32 years until in December of this past year we all watched, literally, the fall of a past age as the bleach plant came toppling down. Today we are well on our way into the next era of our town's history and again it is the great resource of our beautiful mountain landscape that sustains us.
