Frank welcomed everyone to the meeting and asked each of the Trustee's to sign a compliance document for the bank that will be used during their audit process.

Trustee Beaudin provided information regarding the total funds appropriated at the Town's annual meeting; \$1,055,000 which will be transferred to the bank in early December. Charles Mathews presented the current position of the Town's portfolios, highlighting where he expects funds to track in 2021 following the year of COVID-19. Discussion followed regarding the West Street project and the anticipation that these funds will be needed in 2021. He noted that it will take a few years for rates to normalize but sees the Town's return of about 3% to be particularly good under the current circumstances. We certainly are working under a challenging rate environment.
